Executive Summary:

Huntingdonshire Futures sets out a vision to make Huntingdonshire a better place to live, work, and visit over the next 30 years. The Huntingdonshire Futures grants support this vision by enabling communities to deliver events and activities.

The 2025 version of the grant scheme focuses on just the Pride in Place journey. Grants of £500 - £2,500 are available for activities, and events that showcase and celebrate Huntingdonshire's communities, heritage, and cultural identity.

Community groups and organisations requiring financial aid to deliver projects that support Pride in Place are invited to apply from 24 March 2025. Applications must be for projects based in Huntingdonshire and where a significant majority of beneficiaries are Huntingdonshire residents.

This activity supports our commitment from the Corporate Plan to “explore how place strategy priorities are transformed into practical delivery.”

The total budget for 2025/26 is £40,000.
