Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

The club is a family club and bookings taken or events put on reflect this. A H&S policy is in place and staff are trained in both First Aid and the requirements of the licencing regulations. The Club benefits from being located out of the main town of St Neots so it is very unusual to encounter individuals trying to gain access without proper reason

b) The prevention of crime and disorder

The club has a zero acceptance policy relating to drugs and anyone found using or supplying drugs on the premises will be quickly removed and barred from future attendance. Bookings for parties for under 25's will not be taken unless the individual is a club member and strict procedures will be in place to ensure the no underage drinking takes place.

All staff are trained to ensure that identity is provided where the buyer of the alcohol appears to be below 25 years old.

The club does not hire the premises for 18th or 21st birthday parties except in exceptional circumstances when they relate to members or their immediate families. On these occasions a full risk assessment is undertaken to ensure that all steps are taken to ensure compliance to the law.

For other events a full risk assessment is undertaken and suitable door staff employed.

c) Public safety

There is in place a H&S policy which is administered by an outside H&S consultancy firm paid for by the rugby club. They undertake regular inspection to ensure compliance with all matters pertaining to H&S. All hirers are required to sign up to adoption of the H&S policy when making a booking.

Staff levels are set to ensure that numbers are right for the expected number of people attending the event and fire regulations are fully complied with

d) The prevention of public nuisance

All hirers sign up to the booking rules which include the need to avoid causing a public nuisance. All events organised by the club take into account the need to consider the local community and to consult where necessary. When an event is found to have caused a public nuisance steps are taken to liaise with the local community to ensure that a repeat does not occur.
Door staff are employed where considered necessary following the risk assessment

e) The protection of children from harm

We are a family oriented club with child safety at the heart of everything we do. nothing will be allowed to occur which can bring harm to children

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the

applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
