Update

Following the publication of the Overview & Scrutiny (Social Wellbeing) Panel report on the ShapeYourPlace website, communication was received from Cambridgeshire County Council as the administrators of the ShapeYourPlace system regarding alleged errors in the published report.

The report states at paragraph 5.4 that the cost of providing the ShapeYourPlace Huntingdonshire system during 2013-14 was £3500, made up of annual costs of £500 per site. For 2014-15, with the amalgamation of the West Huntingdonshire and Sawtry sites the cost reduces to £3000 per annum. Further the report continues at 5.5 to state that further amalgamation of the sub sites with the ShapeYourPlace Huntingdonshire system could yield a further £1000 per annum saving at the current subscription rates.

This information is incorrect, a copy of the 'ShapeYourPlace Huntingdonshire Partner Agency Support Agreement' between Cambridgeshire County Council and Huntingdonshire District Council, provides for no payment of annual subscription fees to the service.

Having confirmed with Huntingdonshire District Council Financial Services, I have confirmed that the information in the Overview & Scrutiny (Social Wellbeing) Panel report is incorrect, and no annual subscription payments are being made for the provision of the ShapeYourPlace system.

Recommendation(s):

- Paragraph 5.4 and 5.5 of the Overview & Scrutiny (Social Wellbeing) Panel report are withdrawn
