Dear Sir or Madam,

LICENCE APPLICATION 19/01751/LAPRE5 - THE CROWN INN BROUGHTON

I wish to register my strong objection to this application on the grounds of "Public Nuisance".

While for many years I have enjoyed the occasional musical events at my much loved, and frequented, local pub I consider this application a step too far. It clearly opens the door to extensive and intrusive noise pollution to the detriment of the character of our precious Conservation Area.

Though I have confidence in the sensitivity of the current Landlord to his neighbours' environment and well being this clearly cannot be guaranteed into the future. Therefore the permanent nature of this license application is quite inappropriate and I request it should be rejected and the current status quo maintained.

Yours faithfully
