5. TREASURY MANAGEMENT SIX MONTH PERFORMANCE REVIEW (Pages 87 - 114)

The Treasury Management Six Month Performance Review is to be presented to the Panel.

Contact Officer: C Edwards 388822 / S Martin 388107

6. OVERVIEW AND SCRUTINY WORK PROGRAMME (Pages 115 - 130)

The Panel are to receive the Overview and Scrutiny Work Programme. In addition to this the Panel will receive Cabinet feedback on the Accelerating the Delivery of Affordable Housing Task and Finish Group's report.

Contact Officer: A Green 388008

28th day of October 2019

Head of Paid Service

Disclosable Pecuniary Interests and Non-Statutory Disclosable Interests

Further information on [Disclosable Pecuniary Interests and Non - Statutory Disclosable Interests is available in the Council's Constitution](#)

Filming, Photography and Recording at Council Meetings

The District Council permits filming, recording and the taking of photographs at its meetings that are open to the public. It also welcomes the use of social networking and micro-blogging websites (such as Twitter and Facebook) to communicate with people about what is happening at meetings.

Arrangements for these activities should operate in accordance with [guidelines](#) agreed by the Council.

Please contact Mr Adam Green, Democratic Services Officer (Scrutiny), Tel No. 01480 388008/e-mail Adam.Green@huntingdonshire.gov.uk if you have a general query on any Agenda Item, wish to tender your apologies for absence from the meeting, or would like information on any decision taken by the Committee/Panel.

Specific enquiries with regard to items on the Agenda should be directed towards the Contact Officer.

Members of the public are welcome to attend this meeting as observers except during consideration of confidential or exempt items of business.

Agenda and enclosures can be viewed on the [District Council's website](#).

Emergency Procedure

In the event of the fire alarm being sounded and on the instruction of the Meeting Administrator, all attendees are requested to vacate the building via the closest emergency exit.

HUNTINGDONSHIRE DISTRICT COUNCIL

MINUTES of the meeting of the OVERVIEW AND SCRUTINY PANEL (PERFORMANCE AND GROWTH) held in the Civic Suite 0.1A, Pathfinder House, St Mary's Street, Huntingdon, PE29 3TN on Tuesday, 1st October 2019

PRESENT: Councillor D B Dew – Chairman.

Councillors B S Chapman, S J Corney, J W Davies, Mrs A Dickinson, Dr P L R Gaskin, M S Grice and J E White.

APOLOGIES: Apologies for absence from the meeting were submitted on behalf of Councillors J C Cooper-Marsh, J P Morris and D J Wells.

IN ATTENDANCE: Councillors Mrs M L Beuttell, R Fuller, Mrs P A Jordan and R J West.

28 MINUTES

The Minutes of the meeting held on 3rd September 2019 were approved as a correct record and signed by the Chairman.

29 MEMBERS' INTERESTS

No declarations of interest were received.

30 NOTICE OF KEY EXECUTIVE DECISIONS

The Panel received and noted the current Notice of Key Executive Decisions (a copy of which has been appended in the Minute Book) which has been prepared by the Executive Leader for the period 1st October 2019 to 31st January 2020.

31 CAMBRIDGESHIRE AND PETERBOROUGH COMBINED AUTHORITY'S LOCAL TRANSPORT PLAN POST-CONSULTATION NEXT STEPS PRESENTATION

Mr Rowland Potter, Cambridgeshire and Peterborough Combined Authority, and Mr Steven Bishop, Steer, gave a presentation to the Panel on Cambridgeshire and Peterborough Combined Authority's (CPCA) Local Transport Plan (LTP) Post-Consultation Next Steps.

During the presentation, the Panel was informed that the LTP consultation closed at 6pm the previous Friday (27th September). In addition it was noted that the LTP is a statutory document and has four functions. It also supports elements other than transport including economic, social and environmental aims. It was recognised that the main challenge of the LTP is to support the three economic areas of Cambridgeshire; Greater Cambridge Economy, Peterborough Economy and the rural economy.

In outlining the consultation feedback Mr Bishop stated that the common themes were as follows: wanting good bus provision, achieving net zero carbon emissions, Cambridgeshire Autonomous Metro (CAM), support for East-West rail, better walking routes and recognising the importance of Local Plans.

Councillor B S Chapman questioned how the LTP links in with Market Towns Masterplans, in particular the St Neots Masterplan. Mr Bishop stated that the transport elements of the masterplans have been taken and developed within the LTP but that now that the consultation has finish it would be an ideal time to link together and align plans.

Parking at transport hubs was raised by Councillor B S Chapman. Mr Potter responded by stated that the LTP aims to look at the public transport links to the hubs and not just parking.

When asked why the development of the CAM would start in Cambridge and not from the fringes inwards to Cambridge, the Panel was informed that the CAM has to be developed in a way that can encourage investment. It was recognised that there would be complexities to the Cambridge end of CAM but there would also be complexities to other parts of the network.

Councillor B S Chapman stated that he believed that the East-West rail line should come through the biggest population centres of South Cambridgeshire, namely Cambourne and St Neots. Mr Bishop stated that those views were echoed by the St Neots' residents but that it is now up to Central Government to determine the route.

When questioned on land acquisition for the CAM project, Members were informed that ideally there would be integrated transport before first occupancy instead of relying on modal shift. However, there is a statutory process to follow in order to show all options have been considered.

In response to a question from Councillor Mrs A Dickinson on whether the Combined Authority are working with bus companies, the Panel was informed that there is a Strategic Bus Review and that the Combined Authority are looking at what the bus service would look like going forward. It is anticipated there would be a blended service.

The Chairman asked what was being done for Huntingdonshire as the District sits across the three economies of the region. Mr Potter stated that the District is a mirror of the region as a whole but that in order to prosper, an infrastructure needs to be created which encourages people to stay in the area to work, live and play.

32 ENGLAND'S ECONOMIC HEARTLANDS - OUTLINE TRANSPORT STRATEGY: FRAMEWORK FOR ENGAGEMENT

With the aid of a report by Planning Service Manager – Growth (a copy of which has been appended in the Minute Book) England's Economic Heartlands – Outline Transport Strategy: Framework for Engagement was presented to the Panel. It was noted that the England's Economic Heartlands consultation focuses on similar issues to the consultation for the Local Transport Plan, however with this consultation there is a mention of freight.

Councillor B S Chapman asked a question regarding the roll out of broadband network to the market towns. In response the Panel was informed that Connecting Cambridgeshire aims to bring areas up to a certain standard of broadband. There are also plans to fit digital infrastructure alongside highway schemes.

(At 7.49pm, during the consideration of this item, Councillor R J West left the meeting.)

(At 7.56pm, during the consideration of this item, Councillor R J West entered the meeting.)

33 ACCELERATING THE DELIVERY OF AFFORDABLE HOUSING TASK AND FINISH GROUP FINAL REPORT

With the aid of a report by the Accelerating the Delivery of Affordable Housing Task and Finish Group (a copy of which has been appended in the Minute Book), the Panel received the Group's final findings.

In introducing the report Councillor S J Corney informed the Panel that Rural Exception Sites (RES) is an important and valuable mechanism in delivering affordable housing, however it can't be used to accelerate the delivery. In addition Councillor Corney stated that the Group would like to encourage Members representing rural wards to bring forward potential RES for consideration.

The Executive Councillor for Housing, Planning and Economic Development thanked the Task and Finish Group for the study and accepts the recommendations as outlined within the report. In addition, the Executive Councillor stated that Overview and Scrutiny is welcome to get involved and assist with policy development.

The Panel agreed that the Cabinet should endorse the recommendations.

34 ESTABLISHMENT OF EMPLOYMENT COMPANY

Having noted that this item would be withdrawn, it was

RESOLVED

that this item be not determined.

35 OVERVIEW AND SCRUTINY WORK PROGRAMME

With the aid of a report by the Democratic Services Officer (Scrutiny) (a copy of which has been appended in the Minute Book), the Overview and Scrutiny Work Programme was presented to the Panel.

A discussion ensued around the area of Skills. The Panel was informed that the plan is to liaise with the Combined Authority, however their Skills Committee is yet to meet. Members agreed to revisit the topic in January 2020.

It was stated that the Panel would have a report on the topic of Wider Economic Environment at either the November meeting or December meeting. The report will likely be an options paper and the Panel would have to make a decision on what to work on.

The Panel discussed the possibility of further scrutiny on the implementation of the Car Parking Strategy. It was noted that the roll out hasn't been completed and any scrutiny before completion would be premature. In addressing the concerns of car park reclassification, the Managing Director stated that no reclassification has occurred. It was agreed that the review of the Car Parking Strategy would be carried out once the changes have been fully rolled out and those changes have had time to bed in, unless sufficient evidence emphasising the need for urgent scrutiny is presented.

(At 8.05pm, during the consideration of this item, Councillors Mrs P A Jordan and R J West left the meeting and did not return.)

36 MR CLIVE MASON

The Chairman read out a statement prepared by Mr Clive Mason. In it, Mr Mason explained he would be leaving the Council on Friday 11th October and that he thanks Members for the help and support over the past few years and he wishes everyone the best for the future.

Chairman

NOTICE OF EXECUTIVE KEY DECISIONS INCLUDING THOSE TO BE CONSIDERED IN PRIVATE

Prepared by: Councillor G J Bull, Executive Leader of the Council
Date of Publication: 23 October 2019

Notice is hereby given of:

- Key decisions that will be taken by the Cabinet (or other decision maker)
- Confidential or exempt executive decisions that will be taken in a meeting from which the public will be excluded (for whole or part).

A notice/agenda together with reports and supporting documents for each meeting will be published at least five working days before the date of the meeting. In order to enquire about the availability of documents and subject to any restrictions on their disclosure, copies may be requested by contacting the Democratic Services Team on 01480 388169 or E-mail Democratic.Services@huntingdonshire.gov.uk.

Agendas may be accessed electronically at the [District Council's website](#).

Formal notice is hereby given under The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 that, where indicated part of the meetings listed in this notice will be held in private because the agenda and reports for the meeting will contain confidential or exempt information under Part 1 of Schedule 12A to the Local Government (Access to Information) Act 1985 (as amended) and that the public interest in withholding the information outweighs the public interest in disclosing it. See the relevant paragraphs below.

Any person who wishes to make representations to the decision maker about a decision which is to be made or wishes to object to an item being considered in private may do so by emailing Democratic.Services@huntingdonshire.gov.uk.or by contacting the Democratic Services Team. If representations are received at least eight working days before the date of the meeting, they will be published with the agenda together with a statement of the District Council's response. Any representations received after this time will be verbally reported and considered at the meeting.

Paragraphs of Part 1 of Schedule 12A to the Local Government (Access to Information) Act 1985 (as amended) (Reason for the report to be considered in private)

1. Information relating to any individual
2. Information which is likely to reveal the identity of an individual
3. Information relating to the Financial and Business Affairs of any particular person (including the Authority holding that information)
4. Information relating to any consultations or negotiations or contemplated consultations or negotiations in connection with any labour relations that are arising between the Authority or a Minister of the Crown and employees of or office holders under the Authority
5. Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings
6. Information which reveals that the Authority proposes:-
 - (a) To give under any announcement a notice under or by virtue of which requirements are imposed on a person; or
 - (b) To make an Order or Direction under any enactment
7. Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime.

Huntingdonshire District Council
Pathfinder House
St Mary's Street
Huntingdon PE29 3TN.

- Notes:-
- (i) Additions changes from the previous Forward Plan are annotated ***
 - (ii) Part II confidential items which will be considered in private are annotated ## and shown in italic.

HUNTINGDONSHIRE DISTRICT COUNCIL

Title/Subject Matter: Integrated Performance Report, 2019/20 Quarter 2

Meeting/Date: Overview and Scrutiny (Performance and Growth)
Panel, 5 November 2019

Executive Portfolio: Councillor Jonathan Gray, Executive Councillor for
Resources
Councillor Darren Tysoe, Executive Councillor for
Digital and Customer

Report by: Business Intelligence and Performance Manager
and Finance Manager

Ward(s) affected: All

RECOMMENDATION

The Overview and Scrutiny Panel is invited to comment on details of delivery of Corporate Plan key actions and corporate indicators, current projects and financial performance information from the Cabinet report attached.

HUNTINGDONSHIRE DISTRICT COUNCIL

Title/Subject Matter:	Integrated Performance Report, 2019/20 Quarter 2
Meeting/Date:	Cabinet, 21 November 2019
Executive Portfolio:	Councillor Jonathan Gray, Executive Councillor for Resources Councillor Darren Tysoe, Executive Councillor for Digital and Customer
Report by:	Business Intelligence and Performance Manager and Finance Manager
Ward(s) affected:	All

Executive Summary:

The purpose of this report is to brief Members on progress against Key Actions and Corporate Indicators listed in the Council's Corporate Plan 2018/22 for the period 1 July to 30 September 2019 and on current projects being undertaken. Scheduled performance clinics focus on delivering continuous improvements in all services.

Key Actions, Corporate Indicators and targets are as included in the Corporate Plan Refresh 2019/20, as approved by Council on 24 July 2019.

The report also incorporates Financial Performance Monitoring Suite information setting out the financial position at 30 September 2019. It provides outturn figures for revenue and the capital programme. Headlines are:

Revenue – the forecast outturn shows underspend of £0.328m

Capital programme – the forecast outturn shows a net overspend of £0.668m

An update on the Commercial Investment Strategy includes details of investments to date and the level of returns these are expected to generate, with information on potential investment opportunities reviewed in Quarter 2 attached at Appendix E.

Recommendations:

The Cabinet is invited to consider and comment on progress made against the Key Actions and Corporate Indicators in the Corporate Plan and current projects, as summarised in Appendix A and detailed in Appendices B and C.

The Cabinet is also invited to consider and comment on financial performance at the end of September, as detailed in Appendices D, and the register of reviews of Commercial Investment Strategy propositions at Appendix E.

1. PURPOSE

- 1.1 The purpose of this report is to present details of delivery of the Corporate Plan 2018/22, and project delivery, in the context of the Council's financial performance.

2. BACKGROUND

- 2.1 The Council's Corporate Plan is currently being refreshed and once adopted will set out what the Council aims to achieve in addition to its core statutory services. The information in the summary at **Appendix A** relates to Key Actions and Corporate Indicators and the performance report at **Appendix B** details all results at the end of September.
- 2.2 As recommended by the Project Management Select Committee, updates for projects based on latest approved end dates are included at **Appendix C**. Across all programmes there are currently 28 projects which are open, pending approval or pending closure, and one project logged which has recently closed.
- 2.3 This report also incorporates financial performance to the end of June. This performance was as shown in sections 4-6 below, with further details listed in **Appendix D**. Commercial investment propositions reviewed are at **Appendix E**.

3. PERFORMANCE MANAGEMENT

- 3.1 Members of the Overview and Scrutiny (Performance and Growth) Panel have an important role in the Council's Performance Management Framework and a process of regular review of performance data has been established. The focus is on the strategic priorities and associated objectives to enable Scrutiny to maintain a strategic overview. Their comments on performance in Quarter 2 will be inserted in section 7 following their meeting on 5 November 2019.
- 3.2 Progress against Corporate Plan objectives is reported quarterly. The report at **Appendix B** includes details of all Key Actions and Corporate Indicators at the end of Quarter 1. **Appendix C** provides information about projects, including the purpose of the project and comments from the Programme Office as to the current status of each project's SharePoint site as part of the new governance arrangements.
- 3.3 Performance Indicator data has been collected in accordance with standardised procedures.
- 3.4 The following table summarises Quarter 2 progress in delivering Key Actions for 2019/20:

Status of Key Actions	Number	Percentage
Green (on track)	24	80%
Amber (within acceptable variance)	5	17%
Red (behind schedule)	0	0%
Awaiting progress update	1	3%
Not applicable	0	

Most key actions were on track at the end of Quarter 2 and none were significantly behind schedule. Actions which have seen positive progress recently include:

- KA 1. The One Leisure Active Lifestyles team has worked with over 50 partners already this year, including schools and care homes, to deliver physical activity programmes that encourage local residents to be more active, more often.
- KA 6. The Huntingdon Neighbourhood Plan received an 87% 'yes' vote at referendum and an updated Neighbourhood Planning Guide has been adopted.
- KA 8. Operations have supported 40 community litter picks.
- KA 10. Community continue to take enforcement action against littering and flyposting offences, with prosecution costs and fines of £10k for one offender.
- KA 14. The Better Business For All initiative has launched.
- KA18. A Future High Street Funding bid for St Neots was successful.
- KA 23. A Housing Delivery Test Action Plan was endorsed by Cabinet in July.
- KA 24. Decisions on Community Infrastructure Levy spend were made by Cabinet in July which commit funding for a number of infrastructure projects in the district.
- KA 25. Additional income has been secured from our commercial property estate, with lease renewals alone generating an extra £21k a year for the Council and one-off income also raised from releasing restrictive covenants and granting wayleaves.

3.5 Quarter 2 results for 2019/20 Corporate Indicators are shown in the following table:

Corporate Indicator results	Number	Percentage
Green (achieved)	29	67%
Amber (within acceptable variance)	10	23%
Red (below acceptable variance)	2	5%
Awaiting progress update	2	5%
Not applicable (annual/data unavailable)	0	

The majority of performance indicators were on track at the end of Quarter 2, with only two Red as performance was below an acceptable variance. The Red indicators related to energy used in Council buildings (PI 29), which is below target partly due to higher heating demand linked to weather conditions in the first half of the year, and avoidable contacts (PI 38), which has not reduced as much as planned partly due to delays in integrating Streetscene services with the customer portal.

Indicators where services are exceeding their targets include the following:

- PI 2. The average number of days taken to process new Housing Benefit and Council Tax Support claims has been cut to 22.78 days from 24 days in Q1.
- PI 3. The average number of days taken to process changes of circumstance for Housing Benefit and Council Tax Support has fallen to less than 3.7 days.
- PI 4. Early interventions have helped to prevent homelessness, with 272 successful preventions in April to September compared to 153 for the same period last year.
- PI 6. One Leisure Active Lifestyles have attracted more users, with activities for young people in particular attracting a number of new participants.
- PI 11 & 12. Streetscene services have recorded high levels of performance in the cleanliness of sampled areas and the response times to street cleansing requests.
- PI 14 & 15. Grounds maintenance services also continue to exceed targets.
- PI 20. The increase in commercial properties liable for Business Rates had nearly exceeded the annual target by the end of Q2, although numbers can drop.

- PI 33. Staff sickness has continued to fall and is on track to come in under the 9 days per FTE target for the first time since 2013/14.

3.6 The status of corporate projects at the end of September is shown in the following table:

Corporate project status	Number	Percentage
Green (progress on track)	7	41%
Amber (progress behind schedule, project may be recoverable)	7	41%
Red (significantly behind schedule, serious risks/issues)	3	18%
Pending closure	2	
Closed (completed)	7	

The business case for two further projects have not yet been approved.

There are seven projects showing as Amber, usually as a result of slippage in the project, even when reported against revised dates. Of the projects currently in the delivery stage, three were Red at the end of Quarter 2; all of which were shared service projects.

The Project Management Governance Board has held one-to-one meetings with project managers which have identified that unrealistic timeframes have been a common theme for amber/red flags, as well as a lack of up to date governance documentation. The reasons for not meeting original target dates for projects were recently explored at a joint session with all project managers and included discussions on Project Initiation Documents (PID) and Business Cases where initial dates are set.

Governance arrangements are being reviewed, including the roles of Project Sponsors and Project Boards, to help ensure that projects run successfully to time and to budget. Lessons learned captured through closedown reports are also being shared with all project managers. Details of all projects can be found in **Appendix C**.

4. FINANCIAL PERFORMANCE

4.1 Financial Performance Headlines

The Management Accounts include the forecast outturn position for the current financial year and the impact of variations will be incorporated within the MTFS. Revenue statements show gross expenditure by service and where some costs are funded by reserves this is shown to provide the net position.

Revenue The approved Budget is £17.157m with the forecast outturn being £16.829m which is an underspend of £0.328m. The main reasons are shown on the next page.

MTFS The MTFS was updated as part of the 2019/20 Budget setting process and will again be updated as part of the 2020/21 Budget setting process which is now under way. The revision of the MTFS will include 2018/19 outturn variations and others occurring or foreseen in 2019/20 that have an impact on future years.

Capital The approved Budget is £7.7m plus the re-phasing of £2.1m giving a revised total Capital Programme of £9.8m. The net forecast outturn is £7.6m giving an overspend of £0.7m. The reasons for these variances are detailed in paragraph 5.6.

The Financial Dashboard at **Appendix D, Annex E** presents information on take-up of Council Tax Support, NDR and Council Tax collection, miscellaneous debt and New Homes Bonus funding.

4.2 Summary Revenue Forecast Variances by Service

The table below shows the total variances for each Service and the main reasons where variances are greater than £50,000.

	Budget £000	Forecast outturn gross £000	Transfers to / (from) reserves £000	Forecast outturn net £000	Forecast (underspend) / overspend £000	Main reasons for variance
Community	1,743	1,732	0	1,732	(11)	<ul style="list-style-type: none"> • Staff savings due to delay in recruitment • Additional costs in relation to Hamerton Zoo inquiry
Customer Services	2,768	2,605	107	2,712	34	<ul style="list-style-type: none"> • Increase in the net cost of rent allowances to payments not attracting 100% subsidy i.e. placements in short term accommodation where subsidy is capped.
ICT	2,145	2,128	(50)	2,078	(67)	
Development	1,010	686	(49)	637	(373)	<ul style="list-style-type: none"> • Staff savings due to delays in recruitment • Additional planning application fees
Leisure and Health	(20)	(42)	25	(17)	3	
Operations	3,744	4,385	(210)	4,175	432	<ul style="list-style-type: none"> • Increase in playground equipment maintenance • Staff Savings • Additional water standpipe costs not budgeted for • Reduction in expected efficiency savings on litter bin reductions • Reduction in expected income generation from replacement bins • Reduction in income from rental of 3rd floor at Pathfinder House
Resources	4,231	3,955	(113)	3,842	(389)	<ul style="list-style-type: none"> • Reduction in MRP costs during 19/20 due to slippage of capital programme in 18/19 • Staff savings not achieve due to delay in service restructure

	Budget	Forecast	Transfers	Forecast	Forecast	Main reasons for variance
	£000	outturn	to / (from)	outturn	(underspend)	
		gross	reserves	net	/ overspend	
		£000	£000	£000	£000	
						• Additional Income from Commercial Investments
Directors and Corporate	1,626	1,610	60	1,670	44	
Transformation	0	285	(285)	0	0	
Total	17,157	17,344	(515)	16,829	(328)	

4.3 Further analysis of the revenue variance and service commentary are at **Appendix D**. This provides the variances by service and where variances are greater than +/- £10,000 comments have been provided by the budget managers/Head of Service. Where there are adverse variances the budget managers have provided details of the actions they are undertaking to address the overspend.

4.4 **Medium Term Financial Strategy**

The actual outturn for 2018/19 showed an underspend of £0.248m which will have some impact on the MTFs. The new MTFs for the period 2020/21 to 2023/24 which will be compiled during the current budget setting process, will be updated where the 2018/19 outturn has an impact.

5. **CAPITAL PROGRAMME**

5.1 The approved gross Capital Programme 2019/20 is £7.7m plus the re-phasing of £2.1m giving a revised total Capital Programme for 2019/20 of £9.8m.

5.2 The forecast net expenditure outturn is £7.6m, an overspend of £0.668m. The gross expenditure to 30 September 2019 was £1.817m (18.5% of Budget, 50% of the year).

Variation Commentary Summary		£000s
Overspend		
	<p>Alms Close Development</p> <p>This project was tendered via the Procurement Portal, the tenders that have been received are in the region of £1.6m, with an additional £150,000 required for consultants fees, this amounts to a potential overspend on the budget of £728,000. There are council contingencies included of around £80,000 which may be utilised, but could amount to a saving on this sum if not required. If the contingencies were not required then the committed additional spend would be reduced to £648,000.</p> <p>The new Alms Close design has increased the useable floor space, and has built in additional floor space in the event tenants seek to construct mezzanine flooring. Additional mezzanine floor space would increase the overall floor space of each unit by 50% to 75% of the ground floor areas. The council could then obtain additional income through the lease in the event the tenant does add mezzanine flooring.</p> <p>The tenderer that has been advised by professional consultants, whilst not the lowest, it does though provide the council with minimal risk in relation to disputes regarding costs. When the lowest tender was reconciled several major works item that were missing, had to be added in, and to accept this tender would put the council at risk.</p> <p>The last steps prior to acceptance of the tender will be a costing exercise, whereby the council will have to undertake a costing exercise to calculate the investment return over the standard 20</p>	728

Variation Commentary Summary		£000s
	year period. As things stand the project is ready to proceed subject to financial approval.	
	Health and Safety Works, Roof Works Minor overspend expected on works to meet statutory requirements, and completion of roofing works (retention).	9
	Cash Receipting Software Work to complete touch-tone phone payments for customers to pay invoices.	13
	Total Overspend	750
Growth		
	Insurance Settlement – Eastfield House Fire A settlement has been agreed with the Council’s insurers to finance the replacement of IT equipment destroyed in the fire at Eastfield House, part of the equipment was replaced in 2018/19, the remainder will be replaced in 2019/20.	0
	Salix Building Efficiency Salix has indicated that the money paid back into the fund from previous projects and the rollover from last year’s budget is £62,000. They are expecting the council to invest a minimum of 75% (£46,000) in this financial year. The extra expenditure is funded from savings made in revenue (utilities) budgets.	14
	Oak Tree Development Work on the planning for the Oak Tree Development has commenced this is funded from grant.	0
	Travellers Security Improvements Huntingdonshire generally has a relatively low number of illegal traveller incursions but has seen a significant increase in numbers recently, with 13 incursions in the past 3 months including 6 in public parks. It has been noticeable that security measures currently in place in parks are being breached more often than in the past. Considerable work has been done in recent years to streamline eviction processes. Despite this, incursions are causing inconvenience to residents and significant costs to the Council in relation to eviction and clearance. A review of the approach we take to dealing with incursions has been carried out and a number of changes to approach are proposed, as noted below. A multi-strand approach is recommended, including security measures, trial of evictions, disruption of illegal activities, communicating with communities, and working in partnership with communities, other local authorities and the Police.	50

Variation Commentary Summary		£000s
	A report detailing the background to incursions, current challenges, options and a comprehensive cost schedule has been circulated to SLT and will be further circulated for approval at member level.	
	<p>Oaktree Centre Remedial Work The Council owns the Oak Tree Centre on the Oxmoor, with the property being principally let to the NHS.</p> <p>A few years ago it was established that there were significant 'build' issues that are affecting the structural integrity. The Council has already undertaken some 'urgent' remedial works but more significant works are required.</p> <p>The estimated cost of the remedial works included in the capital programme is £0.950m; but as previously reported to Treasury and Capital Management Group, the gross cost is expected to be around £2m. However, overall there is a net nil change to the capital and a marginal decrease, as consequence of lower MRP, cost to revenue (this is because the financing will utilise the Oak Tree Remedial Works Earmarked Reserve).</p>	50
	<p>One Leisure St Ives Outdoor Fitness Offering A report to Cabinet in June 2019 outlined the proposals for maximising the returns for the Outdoor Centre at St Ives by converting the squash courts to provide a new fitness offering on the site. Cabinet approved the new scheme subject to a full feasibility study being provided to the December 2019 meeting.</p> <p>The capital programme included a £250k estimate for this scheme however the option now proposed is likely to cost £500k. This cost is reduced by £50k from the application of CIL funding.</p>	200
	Total Growth	314
Underspend		
	<p>Re-Fit Projects The Project is scheduled to complete July 2019. Currently (prior to all variations being costed) £165889 is left to be paid. 2% of the total project costs must be kept as a retainer for 12 months following the completion of the project - approx £16,941.</p>	(58)
	<p>Disabled Facilities Grants Additional Better Care Fund grant has been received in excess of the approved budget (£95,000), SCDC has shared their excess grant with the council (£80,000), and contribution from tenants are forecast to be (£15,000). Additional expenditure</p>	(180)

Variation Commentary Summary		£000s
	based on commitments is forecast to be £10,000.	
	Wheeled Bins Detailed planning for this years requirements for wheeled bins, taking into account new housing developments and bin stock it is expected that fewer bins will be required this year.	(95)
	OL Ramsey 3G Pitch Additional grant received (£161,000) more than off-sets additional expenditure incurred £154,000.	(7)
	Parking Strategy Negotiations with the contractor over costs are producing a small saving of £15k on this project.	(15)
	Total Underspend	(355)
Rephase		
	Robotics It is now expected that £10k of expenditure will be incurred in 2020/21.	(10)
	Income Management Software Work on this project has not yet begun and so some costs are likely to be moved into 2020/21.	(32)
	Total Rephase	(42)
	Total Net Expenditure Overspend/Underspend)	667
Additional Information		
	Impressions Fitness Equipment Following tender analysis the preferred supplier for Lot A (the majority of the cost) would require additional capital expenditure but would have a saving on maintenance over 5 years of more than the additional capital spend. This additional could be up to £80,000.	

5.3 The net spend on the Council's Capital Programme is financed via borrowing which has a revenue implication through the Minimum Revenue Provision (MRP).

5.4 Appendix D, Annexes C and D provide the following information:

Annex C provides details by scheme with proposed rephasing, expenditure to date and forecast outturn.

Annex D details the financing of the Capital Programme showing the funding from grants and contributions, capital receipts, use of earmarked and capital reserves and internal borrowing.

6. UPDATE ON THE COMMERCIAL INVESTMENT STRATEGY

6.1 The Commercial Investment Strategy (CIS) was approved by Cabinet in September 2015 and the CIS Business Plan in December 2015. The implementation of the CIS is seen as a key means by which the Council can generate income to assist it in meeting the forecast gap in the revenue budget, by 2023/24 it will have in part contributed in reducing this to £1.2m.

6.2 At the end of Quarter 1, the financial projections for the CIS are:

CIS Investments	Budget (£'000)	Outturn (£'000)	Variance (£'000)
Cash Investments			
CCLA Property Fund	(162)	(168)	(6)
Total Cash Investments	(162)	(168)	(6)
Property Investments			
Property Rental Income	(5,580)	(4,730)	850
MRP	1,997	678	(1,319)
Net Direct Property Income	(3,583)	(4,052)	(469)
Management Charge	144	144	0
Total Property Investments	(3,439)	(3,908)	(469)
TOTAL	(3,601)	(4,076)	(475)

6.3 Investments

Between July and the end of September 2019, 52 properties have been investigated as potential CIS investment opportunities. The purchase of Trilink 140 (Unit 4 Freeway Drive, Castleford), completed on 5th July, generates an annual gross income of £819k and net income of £500k p.a. Most of the quarter has been spent consolidating the three new properties and 14 new tenants into the portfolio and initiating active asset management over all CIS properties including rent reviews, investigating opportunities to re-gear leases and secure longer term or increased income and appointing managing agents to manage on site services. A number of in-district opportunities have been considered including a vacant industrial unit in Huntingdon (high effort and no diversity) and shops in St Neots and Huntingdon (pricing) but these have not been taken forward at this time. A summary of opportunities is included in **Appendix E**.

Returns from the CCLA property fund have remained at the 2016/17 level (circa 4.5%). Other investment vehicles such as bank deposits and money market funds interest rates increased when the Bank of England raised the base rate to 0.5% have now become stable.

To date the majority of the Council's investments have been funded from earmarked reserves or cash balances. Recent acquisition such as Fareham, Rowley Centre and Tri-Link have required loans from PWLB to fund their purchases; part of the purchase price and acquisition costs were met from earmarked reserves.

7. COMMENTS OF OVERVIEW & SCRUTINY PANELS

7.1 Comments will be inserted here after the Panel meeting on 5th November 2019.

8. RECOMMENDATIONS

- 8.1 The Cabinet is invited to consider and comment on progress made against Key Activities and Corporate Indicators in the Corporate Plan and current projects, as summarised in **Appendix A** and detailed in **Appendices B and C**.
- 8.2 The Cabinet is also invited to consider and comment on financial performance at the end of September, as detailed in section 4 and in **Appendix D**, and the register of reviews of Commercial Investment Strategy propositions at **Appendix E**.

9. LIST OF APPENDICES INCLUDED

Appendix A – Performance Summary, Quarter 2, 2019/20

Appendix B – Corporate Plan Performance Report, Quarter 2, 2019/20

Appendix C – Project Performance, September 2019

Appendix D – Financial Performance Monitoring Suite (FPMS) including:

Annex A – Revenue Provisional Outturn and Service Commentary, September 2019

Annex B – Capital Programme Provisional Outturn, September 2019

Annex C – Capital Programme Funding 2019/20

Annex D – Financial Dashboard, September 2019

Appendix E – Register of reviews of CIS investment propositions, Quarter 2, 2019/20

Performance Summary Quarter 2, 2019/20

People

We want to make Huntingdonshire a better place to live, to improve health and well-being and for communities to get involved with local decision making

Highlights include the One Leisure Active Lifestyles team working with over 50 partners to deliver physical activity programmes that encourage residents to be more active, more often.

Place

We want to make Huntingdonshire a better place to work and invest and we want to deliver new and appropriate housing

Highlights include a successful bid for a Future High Street Funding grant for St Neots.

Becoming a more efficient and effective council

We want to continue to deliver value for money services

Highlights include a continued fall in staff sickness, with the forecast outturn projected to be below the 9 days per FTE target for the first time since 2013/14.

8		2		0		0		0	

WE WANT TO: Support people to improve their health and well-being

Status	Key Actions for 2019/20	Target date	Portfolio Holder	Head of Service	Progress Update to be reported each Quarter
G	KA 1. Work in partnership to provide greater leisure and health opportunities to enable more people to be more active, more often	Ongoing	Cllr Palmer	Jayne Wisely	One Leisure Active Lifestyles have worked with 53 partners to help deliver physical activity programmes so far this year. Examples for Q2 include St Ivo secondary school engaging in 'Rabble' delivery to target inactive students with alternative PE lessons. Nelsons Lodge Care home has commissioned the

Status	Key Actions for 2019/20	Target date	Portfolio Holder	Head of Service	Progress Update to be reported each Quarter
					team to run a regular Right Start class, plus a number of Parish Councils had summer activities for young people.
G	KA 2. Provide financial assistance to people on low incomes to pay their rent and Council Tax	Ongoing	Cllr Gray	Customer Services – Amanda Burns	The team is liaising with colleagues across HDC and local Housing Associations to give additional help to people struggling to pay their rent.
G	KA 3. Ensure that the principles of earlier interventions aimed at preventing homelessness are embedded within public sector organisations and other stakeholder partners	Ongoing	Cllr Fuller	Customer Services – Jon Collen	Continuation of Homelessness Trailblazer programme with increased roll out of earlier interventions and pathways across a wide range of agencies. Substance misuse and mental health pathway being developed through task & finish group of partner agencies following summit earlier in year. Aim of establishing joint pathways and ways of working to better prevent homelessness amongst these client groups.
A	KA 4. Adopt a new Homelessness Strategy and a new Lettings Policy	Homelessness Strategy Dec 2019 Lettings Policy by March 2020	Cllr Fuller	Customer Services – Jon Collen	Homelessness review to be completed by end of Q3 with revised strategy to be adopted in Q4. Letting Policy review to take place across Home-Link partnership and completed by end of Q4.
G	KA 5. Identify and implement solutions to eradicate the need to place homeless families in B&Bs	Ongoing	Cllr Fuller	Customer Services – Jon Collen	Need for use of B&B to be eradicated by: increased homelessness prevention measures (KA 3) and increased provision of alternative forms of temporary accommodation. Two schemes in the pipeline to deliver additional self-contained short term units as alternatives to B&B: one is progressing well to be delivered in 2020/21 and the other is still dependant on a property acquisition.

WE WANT TO: Develop stronger and more resilient communities to enable people to help themselves

Status	Key Actions for 2019/20	Target date	Portfolio Holder	Head of Service	Progress Update to be reported each Quarter
G	KA 6. Support community planning including working with parishes to complete Neighbourhood and Parish Plans	Ongoing	Cllr Fuller	Andy Moffat	Huntingdon Neighbourhood Plan referendum has been completed; proceeding to Council in October for adoption. The updated Neighbourhood Planning Guide was adopted by Cabinet in September.
G	KA 7. Manage the Community Chest funding pot and voluntary sector funding to encourage and support projects to build and support community development	Ongoing/ Annual	Cllr Gray / Cllr Palmer	Community – Finlay Flett	2019/20 cycle of applications completed and awards allocated. Community Chest now closed until Spring 2020.
G	KA 8. Support and encourage community action on litter and waste	Ongoing	Cllr Palmer / Cllr Beuttell	Neil Sloper	40 Community Litter Pick supported by Operations.

Corporate Performance and Contextual Indicators

Key to status

G	Performance is on track	A	Performance is within acceptable variance	R	Performance is below acceptable variance	?	Awaiting performance update	n/a	Not applicable to assess performance

Performance Indicator	Full Year 2018/19 Performance	Q2 2018/19 Performance	Q2 2019/20 Target	Q2 2019/20 Performance	Q2 2019/20 Status	Annual 2019/20 Target	Forecast Outturn 2019/20 Performance	Predicted Outturn 2019/20 Status
PI 1. Number of days of volunteering to support HDC service delivery (cumulative year to date) Aim to maximise	4,698	2,042	2,000	2,588	G	4,001	4,001+	G
Comments: (Operations / Leisure and Health) Countryside - 1,897 volunteers this year. One Leisure Active Lifestyles - 691 volunteer days this year.								
PI 2. Average number of days to process new claims for Housing Benefit and Council Tax Support (cumulative year to date) Aim to minimise	23 days	22.25 days	24 days	22.78 days	G	24 days	24 days	G
Comments: (Customer Services) This Q2 figure shown is the year to date (YTD) performance to the end of September 2019. The roll out of Universal Credit is affecting the number of Housing Benefit claims received.								
PI 3. Average number of days to process changes of circumstances for Housing Benefit and Council Tax Support (cumulative year to	4 days	4.2 days	5 days	3.63 days	G	5 days	4 days	G

Performance Indicator	Full Year 2018/19 Performance	Q2 2018/19 Performance	Q2 2019/20 Target	Q2 2019/20 Performance	Q2 2019/20 Status	Annual 2019/20 Target	Forecast Outturn 2019/20 Performance	Predicted Outturn 2019/20 Status
date)								
Aim to minimise								
Comments: (Customer Services) This Q2 figure shown is the YTD performance to the end of September 2019.								
PI 4. Number of homelessness preventions achieved (cumulative year to date)	405	153	210	272	G	420	450	G
Aim to maximise								
Comments: (Customer Services) Early interventions with emphasis on homelessness prevention resulted in 272 successful preventions from April to end of September by the Housing Needs Team. Working earlier and for longer with residents is helping to minimise the number of households reaching the point of homelessness crisis.								
PI 5. More people taking part in sport and physical activity: Number of individual One Card holders using One Leisure Facilities services over the last 12 months (rolling 12 months)	44,984	43,718	43,730	44,248	G	45,500	46,000+	G
Aim to maximise								
Comments: (Leisure and Health) The number of One Card users using the facilities has been affected by the closures of Ramsey and St Neots swimming pools in recent months for development work. Numbers are expected to increase again following the completion of this work.								
PI 6. More people taking part in sport and physical activity: Number of individual One Leisure Active Lifestyles service users over the last 12 months (rolling 12 months)	7,162 (inc. Park Run)	N/a – new measure	1,932	2,762	G	2,959	2,959	G

Performance Indicator	Full Year 2018/19 Performance	Q2 2018/19 Performance	Q2 2019/20 Target	Q2 2019/20 Performance	Q2 2019/20 Status	Annual 2019/20 Target	Forecast Outturn 2019/20 Performance	Predicted Outturn 2019/20 Status
Aim to maximise								
Comments: (Leisure and Health) Heavy in first part of the year as new people taking part regularly, summer has also taken place with a number of new participants in young people activities.								
PI 7. Providing more opportunities for people to be more active: Number of sessions delivered at and by One Leisure Facilities (cumulative year to date)	12,435	6,405	6,100	6,339	G	11,600	12,000	G
Aim to maximise								
Comments: (Leisure and Health) Target reduced due to rationalisation of fitness classes (breakeven process). Ahead of target in both fitness classes and other (adult and junior) activity sessions.								
PI 8. Providing more opportunities for people to be more active: Number of sessions delivered by One Leisure Active Lifestyles (cumulative year to date)	3,818	N/a – new measure	1,870	1,725	A	3,730	3,730	G
Aim to maximise								
Comments: (Leisure and Health) Currently doesn't include exercise referral inputs due to issues with monitoring.								
PI 9. People participating more often: Number of One Leisure Facilities admissions – swimming, Impressions, fitness classes, sports hall, pitches, bowling and Burgess Hall (excluding school admissions) (cumulative year	1,412,670	690,147	752,000	749,135	A	1,516,380	1,500,000	A

Performance Indicator	Full Year 2018/19 Performance	Q2 2018/19 Performance	Q2 2019/20 Target	Q2 2019/20 Performance	Q2 2019/20 Status	Annual 2019/20 Target	Forecast Outturn 2019/20 Performance	Predicted Outturn 2019/20 Status
to date) Aim to maximise								
Comments: (Leisure and Health) Swimming and Fitness related admissions are up on last year and target and the Burgess Hall has recovered back to target (ahead of last year). Indoor Sports and Activities are declining however and a plan of action to tackle this in the winter months that are more productive is being developed.								
PI 10. People participating more often: One Leisure Active Lifestyles throughput (cumulative year to date) Aim to maximise	57,683 (inc. Park Run)	N/a – new measure	24,350	29,097	G	50,716	50,716	G
Comments: (Leisure and Health): Group exercise classes performing well and above targets, as is children and young people's activities.

WE WANT TO: Create, protect and enhance our safe and clean built and green environment

Status	Key Actions for 2019/20	Target date	Portfolio Holder	Head of Service	Progress Update to be reported each Quarter
G	KA 9. Maintain our existing green open spaces to high standards, ensuring community involvement and encouraging greater active use, and maintain Green Flag statuses	Ongoing	Cllr Palmer	Neil Sloper	3 Green Flags awarded in July 19/20. Re-submitting Priors Park in December 2019. Two Mystery Shops to be completed as well.
G	KA 10. Reduce incidences of littering through targeting of enforcement work	Ongoing	Cllr Beuttell	Community – Finlay Flett	Community Enforcement team continue to take action against littering and flyposting, including issue of FPNs (Fixed Penalty Notices). One serious case prosecuted

Status	Key Actions for 2019/20	Target date	Portfolio Holder	Head of Service	Progress Update to be reported each Quarter
					through courts resulting in fines and costs of £10k for offender.
G	KA 11. Review air pollution activities to reflect new national Clean Air Strategy	Ongoing	Cllr Beuttell	Community – Finlay Flett	Revisions to national strategy not yet released.

WE WANT TO: Accelerate business growth and investment

Status	Key Actions for 2019/20	Target date	Portfolio Holder	Head of Service	Progress Update to be reported each Quarter
G	KA 12. Build upon and use sector analysis and industrial clusters research to help inform priorities across Services	Ongoing	Cllr Fuller	Andy Moffat	Cluster development work shared with Edge partners and colleges.
G	KA 13. Implement measures to grow Business Rates	Ongoing	Cllr Fuller	Andy Moffat	New Economic Development Analyst and Economic Development Officer start with the team in October; Ongoing meetings with Cambridgeshire and Peterborough Combined Authority (CPCA) about Local Industrial Strategy implementation.
G	KA 14. Engage and communicate with local businesses through the Better Business For All initiative	Ongoing	Cllr Beuttell / Cllr Fuller	John Taylor	Better Business launch 05/06/19 Steering group meeting 19/07/19.
A	KA 15. Prepare options reports for the redevelopment of the Bus Station Quarters in St Ives and Huntingdon	September St Ives, December Huntingdon	Cllr Fuller	Andy Moffat	Report from initial consultants for St Ives received. External Development Advisory Team to take this forward and develop options for St Ives being established. Landowners in Huntingdon being engaged and options explored.
G	KA 16. Deliver the actions resulting from the Council's Off Street Car Parking Strategy	Ongoing	Cllr Beuttell	Neil Sloper	35 of 70 pay and display machines currently installed.

WE WANT TO: Support development of infrastructure to enable growth

Status	Key Actions for 2019/20	Target date	Portfolio Holder	Head of Service	Progress Update to be reported each Quarter
G	KA 17. Continue to work with partners and influence the Combined Authority (CA) and secure support and resources to facilitate delivery of new housing, drive economic growth and provide any critical infrastructure	Ongoing	Cllr Fuller	Andy Moffat	HDC actively involved in steering the A141/ St. Ives Study; officers also actively involved with 3rd river crossing procurement. Summary of asks of Combined Authority and priority areas for future prepared; Clara Kerr to join Nigel McCurdy in regular meetings with Rowland Potter of CPCA re transport and HDC formal consultation response on Local Transport Plan consultation submitted at the end of September.
G	KA 18. Prepare 'Prospectuses for Growth' for St Ives, Huntingdon and Ramsey and continue to support the delivery of the St Neots Masterplan	December 2019 for Prospectuses for Growth; ongoing for delivery of St Neots plan	Cllr Fuller	Andy Moffat	Prospectuses for St Ives, Huntingdon and Ramsey still on course to be prepared by December. Work in St Neots now focussing on Future High Street Funding bid as grant received from Government to develop Business Case with deadline for submission of the final Business Case being end of June 2020.
G	KA 19. Continue to provide active input into the delivery stage of the A14 and the design stage of the A428, and lobby for a northern route for East-West Rail (EWR) and the local road network to deliver the specific requirements of the Council	Ongoing	Cllr Fuller	Andy Moffat	Officers actively working with Cambridgeshire County Council (CCC) and Highways England (HE) in relation to A14 legacy; A428 meetings to commence in October. No further updates on EWR.
A	KA 20. Set out timetable for preparation of an updated Section 106 Supplementary Planning Document and Community Infrastructure Levy charging	June 2020	Cllr Fuller	Andy Moffat	The two documents have to be done side by side but have very different issues and legislation that needs to be followed. At this time the Senior Implementation Officer post is vacant, as is the Grade F post in planning policy, resulting in challenges. However, the

Status	Key Actions for 2019/20	Target date	Portfolio Holder	Head of Service	Progress Update to be reported each Quarter
	schedule and implement				Team Leader has had a number of meetings with stakeholders which in itself raised a number of key challenges and more work is required with CCC.
A	KA 21. Deliver capital/community projects to provide more leisure and health facilities in the district	Ongoing	Cllr Palmer	Jayne Wisely	Ramsey 3G and St Ives Outdoor Fitness Facility are behind schedule but expected to be complete in year. St Ives Changing Rooms on track and Impressions Equipment change and access control ahead of schedule and on budget.

WE WANT TO: Improve the supply of new and affordable housing, jobs and community facilities to meet current and future need

Status	Key Actions for 2019/20	Target date	Portfolio Holder	Head of Service	Progress Update to be reported each Quarter
?	KA 22. Adopt and implement Housing Strategy annual Action Plan	October 2019	Cllr Fuller	Andy Moffat	No update provided by report deadline.
G	KA 23. Maintain a five year housing land supply (5YHLS) and ensure that the Housing Delivery Test in the National Planning Policy Framework is met	Ongoing	Cllr Fuller	Andy Moffat	Annual Monitoring Report demonstrates that we have a 5YHLS and there have been no challenges to this position. Housing Delivery Test Action Plan as required by new national requirements was endorsed at July Cabinet.
G	KA 24. Facilitate delivery of new housing and appropriate infrastructure	Ongoing	Cllr Fuller	Andy Moffat	PP granted for Loves Farm on the 6th September; Continued working with Urban & Civic (U&C) re expanded Key Phase 1, Grange Farm and Parcel 4, bringing Campbell Buchanan George on board; Cabinet decisions made in July re Community Infrastructure Levy (CIL) spend which include a number of infrastructure projects.

Comments: (Operations) Performance is on track to significantly exceed the outturn target.								
PI 13. Number of missed bins per 1,000 households (cumulative year to date) Aim to minimise	0.73	0.72	0.75	0.84	A	0.75	0.75	G

Performance Indicator	Full Year 2018/19 Performance	Q2 2018/19 Performance	Q2 2019/20 Target	Q2 2019/20 Performance	Q2 2019/20 Status	Annual 2019/20 Target	Forecast Outturn 2019/20 Performance	Predicted Outturn 2019/20 Status
Comments: (Operations) Work being undertaken on a weekly basis with individual crews to improve performance stats for missed bins.								
PI 14. Percentage of grounds maintenance works inspected which pass the Council's agreed service specification (cumulative year to date)	85.5%	78.1%	82%	95.8%	G	82%	82%	G
Aim to maximise								
Comments: (Operations) Generally we have not been doing much grass cutting as our hedges have grown quite erratically and need attention, however it is hoped we will at least get round once more before the season ends. Increase in green waste is due to the resulting work priority change.								
PI 15. Percentage of grounds maintenance service requests resolved in five working days (cumulative year to date)	93.5%	96.2%	85%	87.4%	G	85%	85%	G
Aim to maximise								
Comments: (Operations) Performance is on track to significantly exceed the outturn target.								
PI 16. Percentage of successful environmental crime enforcements (cumulative year to date)	100%	100%	100%	100.0%	G	100%	1%	G
Aim to maximise								
Comments: (Community) Performance based on issue and collection of Fixed Penalty Notices.								
PI 17. Percentage of household waste recycled/reused/composted (cumulative year to date)	58.39%	63.05%	58%	62.14%	G	58%	58.00%	G

Performance Indicator	Full Year 2018/19 Performance	Q2 2018/19 Performance	Q2 2019/20 Target	Q2 2019/20 Performance	Q2 2019/20 Status	Annual 2019/20 Target	Forecast Outturn 2019/20 Performance	Predicted Outturn 2019/20 Status
Aim to maximise								
Comments: (Operations) September tonnage unavailable due to delay in these being provided by Cambridgeshire County Council (quarterly figure uses actual percentages for July (63.1%) and August (62.77%) but uses previous years figures for September (60.55%).								
PI 18. Percentage of food premises scoring 3 or above on the Food Hygiene Rating Scheme (latest result)	97%	97%	95%	0%	?	95%	0%	?
Aim to maximise								
Comments: (Community) No update provided by report deadline.								
PI 19. Number of complaints about food premises (cumulative year to date)	517	0	0	0	?	750	0	?
Aim to minimise								
Comments: (Community) No update provided by report deadline.								
PI 20. Net growth in number of commercial properties liable for Business Rates (cumulative year to date)	N/a – new measure	N/a – new measure	40	79	G	70	80	G
Aim to maximise								
Comments: (Development) Targets have been set in line with trends over the last nine years. Although the growth reported to the end of Q2 is already above the long-term average for an entire year, it must be noted that numbers do drop and with an uncertain economic environment this is a real possibility for this new indicator. Information is obtained from the rating list compiled by the Valuation Office Agency (end of March 2019 = 5,302 / end of September 2019 = 5,381).								
PI 21. The percentage of Community Infrastructure Levy (CIL) collected when due (cumulative year to date)	N/a – new measure	N/a – new measure	No target set	31%	G	No target set	No set target	G

Performance Indicator	Full Year 2018/19 Performance	Q2 2018/19 Performance	Q2 2019/20 Target	Q2 2019/20 Performance	Q2 2019/20 Status	Annual 2019/20 Target	Forecast Outturn 2019/20 Performance	Predicted Outturn 2019/20 Status
Aim to maximise								
Comments: (Development) Payment received on 25 demand notices; 19 paid on time; 6 went over to following month. Short delays, no formal action required but surcharges and late payment interest applied where appropriate.								
PI 22. Percentage of planning applications processed on target – major (within 13 weeks or agreed extended period) (cumulative year to date)	80%	80%	79%	92%	G	79%	90%	G
Aim to maximise								
Comments: (Development) Performance is above target, and is higher than we saw at the same period in 18/19. The service has seen a number of resignations as people move to other jobs, and the team are actively recruiting to maintain cover. In the meantime Officers continue to deliver whilst this plan is delivered.								
PI 23. Percentage of planning applications processed on target – minor (within 8 weeks or agreed extended period) (cumulative year to date)	81%	85%	80%	74%	A	80%	81%	G
Aim to maximise								
Comments: (Development) Current staff shortages and previous financial year backlog have resulted in dip in performance. Currently recruiting to fill vacancies.								
PI 24. Percentage of planning applications processed on target – household extensions (within 8 weeks or agreed extended period) (cumulative year to date)	90%	94%	89%	72%	A	89%	89%	G
Aim to maximise								

Performance Indicator	Full Year 2018/19 Performance	Q2 2018/19 Performance	Q2 2019/20 Target	Q2 2019/20 Performance	Q2 2019/20 Status	Annual 2019/20 Target	Forecast Outturn 2019/20 Performance	Predicted Outturn 2019/20 Status
Comments: (Development) Current staff shortages and previous financial year backlog have resulted in dip in performance. Currently recruiting to fill vacancies.								
PI 25. Number of new affordable homes delivered in 2019/2020 (cumulative year to date)	269	108	183	180	A	360	394	G
Aim to maximise								
Comments: (Development) There has been an increase in expected number of completions this year and we now anticipate in the region of 394. An additional project in Godmanchester has been added which is proceeding ahead of programme. In this quarter, affordable homes were completed in Brampton, Godmanchester, Huntingdon, Ramsey, Sawtry, Fenstanton, Offord Cluny and Warboys. There is the prospect that the final number completed may exceed latest expectation since a number of developments are estimating completions very close to year end so some may occur before end of March.								
PI 26. Net growth in number of homes with a Council Tax banding (cumulative year to date)	N/a – new measure	N/a – new measure	No target set	564	G	No target set. Defer to AMR	1,496 (AMR completions)	G
Aim to maximise								
Comments: (Development) Information on the number of banded properties is obtained from the Valuation Office Agency (end of March 2019 = 77,315 / end of September 2019 = 77,879). The Annual Monitoring Report (AMR) reported in December 2019 will be for the period April 2018 - March 2019. The AMR figure relates to a net additional dwellings measure which is only reported annually and nine months in arrears so the performance of this PI should only be treated as an early indicator of local housing growth rather than a final position. The AMR 2018 suggests 1,496 dwellings to be constructed up to March 2020. Data collection for the AMR 2019 is underway, with the number of completions up to March 2019 complete and due to be reported in December 2019.								
PI 27. Total number of appeals allowed as a percentage of total number of planning applications refused (cumulative year to date)	N/a – new measure	N/a – new measure	TBC	0%	G	TBC	Less than 5%	G

Performance Indicator	Full Year 2018/19 Performance	Q2 2018/19 Performance	Q2 2019/20 Target	Q2 2019/20 Performance	Q2 2019/20 Status	Annual 2019/20 Target	Forecast Outturn 2019/20 Performance	Predicted Outturn 2019/20 Status
Aim to minimise								
Comments: (Development) Ministry of Housing, Communities & Local Government (MHCLG) measure: the quality of decisions made by local planning authorities measured by the proportion of decisions on applications that are subsequently overturned at appeal. In Q2, there were 30 refusals, with 0 allowed on appeal.								
PI 28. Number of costs awards against the Council where the application was refused at Development Management Committee contrary to the officer recommendation (cumulative year to date)	N/a – new measure	N/a – new measure	None	0	G	0	N/a	
Aim to minimise								
Comments: (Development) It is not possible to predict the outturn as this is based on DMC Members' decisions. However, measures are in place to ensure Members are familiar with our policies including dedicated Member training sessions.								

STRATEGIC THEME – BECOMING A MORE EFFICIENT AND EFFECTIVE COUNCIL

Period July to September 2019

Summary of progress for Key Actions

G	Progress is on track	A	Progress is within acceptable variance	R	Progress is behind schedule	?	Awaiting progress update	n/a	Not applicable to state progress
5		1		0		0		0	

Target dates do not necessarily reflect the final completion date. The date given may reflect the next milestone to be reached.

Summary of progress for Corporate Indicators

G	Performance is on track	A	Performance is within acceptable variance	R	Performance is below acceptable variance	?	Awaiting performance update	n/a	Not applicable to assess performance
9		4		2		0		0	

WE WANT TO: Become more efficient and effective in the way we deliver services

Status	Key Actions for 2019/20	Target date	Portfolio Holder	Head of Service	Progress Update to be reported each Quarter
G	KA 25. Actively manage Council owned non-operational assets and, where possible, ensure such assets are generating a market return for the Council	Ongoing	Cllr Gray	Clive Mason	Three unit lettings completed in the quarter (at Phoenix Court and a single lease of two units at Levellers Lane), generating additional rental income of £4.4k p.a. At the half year, additional income of £28.23k p.a. has been secured in new leases. Two lease renewals were completed in the quarter generating additional income of £20.8k p.a., bringing lease renewals up to .£24.4k.at the half year. The

Status	Key Actions for 2019/20	Target date	Portfolio Holder	Head of Service	Progress Update to be reported each Quarter
					total new income from all leases is therefore £52.67k p.a. Other "one off" income has been secured from release of restrictive covenants and granting of wayleaves etc totalling £69.36k to date this year.
A	KA 26. Develop the Council's Business Change function and create a culture of change management throughout the organisation	Ongoing	Cllr Tysoe	Assistant Director (Transformation)	Work has been undertaken to establish the priority areas for Business Change work based on the levels of financial savings likely to accrue or the level of transactions involved and so likely efficiencies in time. This still needs setting in the wider context of a culture of change across the organisation and in the Transformation programme.
G	KA 27. Develop the Council's approach to performance management and business intelligence	Ongoing	Cllr Gray	Assistant Director (Transformation)	New ways of working continue to be developed as we seek to take advantage of new technology available under the Council Anywhere project to reduce duplication and improve efficiency in monitoring and reporting on performance across services.
G	KA 28. Deliver the Council Anywhere project to introduce new digital technology and ways of working remotely to improve productivity and flexibility for staff	Mar-20	Cllr Tysoe	Sam Smith / Assistant Director (Transformation)	Devices are now rolling out across the Council with services such as Housing and Customer Services using their devices. We anticipate having rolled out all the devices by the end of 2019/20.

WE WANT TO: Become a more customer focussed organisation

Status	Key Actions for 2019/20	Target date	Portfolio Holder	Head of Service	Progress Update to be reported each Quarter
G	KA 29. Develop our Customer Portal to offer improved online and out of hours access to our services and work with partners to deliver better multi-agency customer services	Ongoing	Cllr Tysoe	Michelle Greet / Assistant Director (Transformation)	We are continuing to see more customer account signups and are now focusing replacing our old Customer Relationship Management (CRM) system with the Customer Portal. More features are being added by the supplier which could open up further use cases for back office departments.

Status	Key Actions for 2019/20	Target date	Portfolio Holder	Head of Service	Progress Update to be reported each Quarter
G	KA 30. Introduce a new electronic pre-application planning advice service	Ongoing	Cllr Fuller	Andy Moffat	We are aiming to have the new paid for pre-application service, with new charges, live in January 2020.

Corporate Performance and Contextual Indicators

Key to status

G	Performance is on track	A	Performance is within acceptable variance	R	Performance is below acceptable variance	?	Awaiting performance update	n/a	Not applicable to assess performance
----------	-------------------------	----------	---	----------	--	---	-----------------------------	------------	--------------------------------------

Performance Indicator	Full Year 2018/19 Performance	Q2 2018/19 Performance	Q2 2019/20 Target	Q2 2019/20 Performance	Q2 2019/20 Status	Annual 2019/20 Target	Forecast Outturn 2019/20 Performance	Predicted Outturn 2019/20 Status
PI 29. Total amount of energy used in Council buildings (cumulative year to date) Aim to minimise	10,221,544 kWh (10.97% down on 2017/18)	4,123,182 kWh (14.2% down on 2017/18)	3,917,203 kWh (5% down on 2018/19)	4,428,617 kWh (7.5% up on 2018/19)	R	9,710,467 kWh (5% down on 2018/19)	3% down	A
Comments: (Operations) The energy performance for 2019/20 has not been weather corrected and regional information shows significantly higher heating demand in the first two quarters of 2019/20 than the previous financial year. As a result we have used more energy in our buildings. Work is currently being undertaken to provide full weather compensated figures for 2019/20 and an impact assessment of the closure of St Neots pool in 2018/19, to provide a more valid comparison.								
PI 30. Percentage of Business Rates collected in year (cumulative year to date) Aim to maximise	98%	61%	59%	59%	A	99%	99%	G

Performance Indicator	Full Year 2018/19 Performance	Q2 2018/19 Performance	Q2 2019/20 Target	Q2 2019/20 Performance	Q2 2019/20 Status	Annual 2019/20 Target	Forecast Outturn 2019/20 Performance	Predicted Outturn 2019/20 Status
Comments: (Customer Services) Performance remains on track to achieve the outturn target at the year end. The September target is based on typical performance at the end of Q2.								
PI 31. Percentage of Council Tax collected in year (cumulative year to date)	98.4%	58.5%	58.4%	58.4%	G	98.5%	99%	G
Aim to maximise								
Comments: (Customer Services) Performance is on track to achieve the outturn target.								
PI 32. Percentage of invoices from suppliers paid within 30 days (cumulative year to date)	92.1%	96.4%	98%	89.0%	A	98%	94%	A
Aim to maximise								
Comments: (Resources) The Prompts outturn for the Q2 has not met the Council's target of 98%. The Accounts Payable (AP) team are monitoring the reasons for the late payment of invoices by recording the reason for the delayed payment (including invoices returned to supplier, invoices with no valid purchase order and purchase orders not goods receipted). The resultant action to improve payment rates is to graphically represent AP processes as a flow chart, and present this to requisitioners (including where necessary training). This will ensure that the processes are well understood and make sure that they have all the necessary approvals in place so the invoice can be paid in a timely manner.								
PI 33. Staff sickness days lost per full time employee (FTE) (cumulative year to date)	9.2 days/FTE	5.1 days/FTE	4.0 days/FTE	2.3 days/FTE	G	9.0 days/FTE	7.3 days/FTE	G
Aim to minimise								
Comments: (Resources) There continues to be a significant fall in sickness reported by managers. Further details will be available in the Workforce Report which will be published on the agenda for the 20th November meeting of the Employment Committee.								
PI 34b. The percentage response rate to the Staff Survey (one off annual result)	63%	63%	64%	75%	G	64%	75%	G

Performance Indicator	Full Year 2018/19 Performance	Q2 2018/19 Performance	Q2 2019/20 Target	Q2 2019/20 Performance	Q2 2019/20 Status	Annual 2019/20 Target	Forecast Outturn 2019/20 Performance	Predicted Outturn 2019/20 Status
Aim to maximise								
Comments: (Corporate Team) 471 responses were received this year with an improved online response rate and a large increase in the number of paper forms returned by staff without intranet access (mostly based in Operations and at Leisure Centres). There was also an increase in the proportion of respondents telling us where they worked, helping to provide a better understanding of results across services.								
PI 35. Call Centre telephone satisfaction rate (cumulative year to date)	88.8%	89.6%	80%	92.7%	G	80%	85%	G
Aim to maximise								
Comments: (Customer Services) We are very pleased to maintain a high level of customer satisfaction when helping customer on the phone. Positive customer comments have also been passed on to advisors.								
PI 36. Customer Service Centre satisfaction rate (cumulative year to date)	92.7%	88.9%	80%	93.7%	G	80%	85%	G
Aim to maximise								
Comments: (Customer Services) Most of our team take calls as well as seeing customers face to face, so it is great news that the survey responses were positive for both channels.								
PI 37. Percentage of calls to Call Centre answered (cumulative year to date)	82.0%	80.0%	80%	84.7%	G	80%	85%	G
Aim to maximise								
Comments: (Customer Services) All but two customer service staff are full trained now, giving us more flexibility in answering calls and planning.								
PI 38. Percentage reduction in avoidable contacts (cumulative year to date)	-14.6% (compared to 2017/18)	-10.6%	-15%	-1%	R	-15%	-15%	R
Aim to maximise								

Performance Indicator	Full Year 2018/19 Performance	Q2 2018/19 Performance	Q2 2019/20 Target	Q2 2019/20 Performance	Q2 2019/20 Status	Annual 2019/20 Target	Forecast Outturn 2019/20 Performance	Predicted Outturn 2019/20 Status
Comments: (Customer Services) The reduction in avoidable contacts has dropped off since the 14.6% fall we saw last year. However we will be introducing integrated Streetscene online portal forms in 2019, and we continue to expand the online customer portal which will help us drive further avoidable contact reductions in future.								
PI 39. Percentage of households with customer accounts generated (latest result)	1.8%	N/a – Portal not live yet	N/a	6.3%	G	8.0%	6%	G
Aim to maximise								
Comments: (Customer Services) We now have 4,860 customer accounts created on the OneVu portal and are well on the way to achieving our target.								
PI 40. Percentage of Stage 1 complaints resolved within time (cumulative year to date)	85%	79%	90%	90%	G	90%	90%	G
Aim to maximise								
Comments: (Corporate Team) 67 complaints were resolved in Q2, with only 3 responded to late (1 in Development and 2 in Operations). For the current year, 152 complaints have been resolved with 15 of them responded to late (2 in Development and 13 in Operations). There are currently 10 outstanding complaints that have not been resolved currently but are all currently on target. It has been noted that Leisure & Health's performance in Complaints has resulted in them achieving their sixth consecutive Quarter with a 100% responded on time record.								
PI 41. Percentage of Stage 2 complaints resolved within time (cumulative year to date)	81%	85%	90%	89%	A	90%	90%	G
Aim to maximise								
Comments: (Corporate Team) 6 Stage Two complaints were resolved in Q2 and all were on time (2 in Customer Services, 3 in Development and 1 in Resources). There is currently one outstanding Stage Two complaint for Development that has not been resolved but is still within target. For the current year, we have had 8 out of 9 Stage Two complaints responded to on time (Development responded late to one in Q1). It is seen as possible to recover from this and still meet our target at year end.								

Performance Indicator	Full Year 2018/19 Performance	Q2 2018/19 Performance	Q2 2019/20 Target	Q2 2019/20 Performance	Q2 2019/20 Status	Annual 2019/20 Target	Forecast Outturn 2019/20 Performance	Predicted Outturn 2019/20 Status
PI 42. Net expenditure against approved budget (latest forecast) Aim to minimise variance	Overall -1.4% variance	Overall +3.2% variance	Overall <5% & Services within 10%	Overall within 2%, two Services >10%	A	Overall <5% & Services within 10%	As Q2 update (forecast is for 2019/20 spend)	A
Comments: (Resources) While the overall revenue forecast is within 2% of the budget, both Development (37% underspend) and Operations (11.5% overspend) have a variance greater than the target set (within 10%). In addition, Leisure and Health has a 15% variance but this is based on a forecast underachievement in net income of just £3k. Details of main reasons for variances can be found in the main report at 4.2.								
PI 43. Income generated from Commercial Estate Rental & Property Fund Income (cumulative year to date) Aim to maximise	£3.6m	£2.8m	£1.6m	£3.0m	G	£3.3m	£4.9m	G
Comments: (Resources) Income on stream from recent Commercial Investment Strategy property acquisitions and large amount of activity on asset management - rent reviews, lease renewals, lease re-gears which is growing income despite increased number of small vacant units.								

Appendix C: Project Performance – end of September 2019

<p>Red = Project is significantly behind schedule, seriously over budget, serious risks/issues have been identified or there is a lack of governance documentation</p>	<p>Amber = Progress is behind schedule, over budget, some risks/issues have been identified or some documentation is missing. Financial Performance Monitoring Suite September (Quarter 2) 2019

Executive summary

This report sets out the financial forecast for September, based on information at the end of September, for revenue and capital. The headlines are:

Revenue - the forecast outturn is an estimated underspend of £0.328m when compared to the approved budget, which is £0.110m lower than the Q1 forecast. At this stage in the year most service variations are small, however, Development, Operations and Resources are forecasting larger variances, mainly as a result of delays in staff recruitment, additional income being generated and delays in implementing new income generation schemes.

Capital Programme – the forecast outturn is an estimated net overspend of £0.6m.

MTFS – The MTFS was previously updated as part of the 2019/20 Budget setting process. At the end of the current MTFS period, 2023/24, the value of savings that still need to be identified stands at £1.2m. The budget setting process for the financial year 2020/21 and onwards has started and will seek to identify savings that can be implemented over the new MTFS period to achieve this remaining target.

Annex A – Service Commentary

The following table provides the variances by service and where variances are greater than +/- £10,000 comments have been provided by the budget managers/Head of Service. Where there are adverse variances the budget managers have provided details of the actions they are undertaking to address the overspend.

Revenue Forecast Outturn	2018/19		2019/20

Annex B – Capital Programme

The approved gross Capital Programme 2019/20 is £7.693m. Schemes totalling £2.134m from 2018/19 have been rephased to 2019/20, to give the total gross capital programme for 2019/20 of £9.827m.

The net expenditure (income) to date is £0.172m (50% of the year) and the Capital Programme is forecast to have a net overspend of £0.667m, this includes underspends, overspends rephasings and growth.

Variation Commentary Summary		£000s
Overspend		
<p>Alms Close Development</p> <p>This project was tendered via the Procurement Portal, the tenders that have been received are in the region of £1.6m, with an additional £150,000 required for consultants fees, this amounts to a potential overspend on the budget of £728,000. There are council contingencies included of around £80,000 which may be utilised, but could amount to a saving on this sum if not required. If the contingencies were not required then the committed additional spend would be reduced to £648,000.</p> <p>The new Alms Close design has increased the useable floor space, and has built in additional floor space in the event tenants seek to construct mezzanine flooring. Additional mezzanine floor space would increase the overall floor space of each unit by 50% to 75% of the ground floor areas. The council could then obtain additional income through the lease in the event the tenant does add mezzanine flooring.</p> <p>The tenderer that has been advised by professional consultants, whilst not the lowest, it does though provide the council with minimal risk in relation to disputes regarding costs. When the lowest tender was reconciled several major works item that were missing, had to be added in, and to accept this tender would put the council at risk.</p> <p>The last steps prior to acceptance of the tender will be a costing exercise, whereby the council will have to undertake a costing exercise to calculate the investment return over the standard 20 year period. As things stand the project is ready to proceed subject to financial approval.</p>	728	
<p>Health and Safety Works, Roof Works</p> <p>Minor overspend expected on works to meet statutory requirements, and completion of roofing works (retention).</p>	9	
<p>Cash Receipting Software</p> <p>Work to complete touch-tone phone payments for customers to pay invoices.</p>	13	
Total Overspend		750
Growth		
<p>Insurance Settlement – Eastfield House Fire</p> <p>A settlement has been agreed with the Council's insurers to finance the replacement of IT equipment destroyed in the fire at Eastfield House, part of the equipment was replaced in 2018/19, the remainder will be replaced in 2019/20.</p>	0	
<p>Salix Building Efficiency</p> <p>Salix has indicated that the money paid back into the fund from previous projects and the rollover from last year's budget is £62,000. They are expecting the council to invest a minimum of 75% (£46,000) in this financial year. The extra expenditure is funded from savings made in revenue (utilities) budgets.</p>	14	
<p>Oak Tree Development</p> <p>Work on the planning for the Oak Tree Development has commenced this is funded from grant.</p>	0	

	<p>Travellers Security Improvements</p> <p>Huntingdonshire generally has a relatively low number of illegal traveller incursions but has seen a significant increase in numbers recently, with 13 incursions in the past 3 months including 6 in public parks. It has been noticeable that security measures currently in place in parks are being breached more often than in the past. Considerable work has been done in recent years to streamline eviction processes. Despite this, incursions are causing inconvenience to residents and significant costs to the Council in relation to eviction and clearance.</p> <p>A review of the approach we take to dealing with incursions has been carried out and a number of changes to approach are proposed, as noted below. A multi-strand approach is recommended, including security measures, trial of evictions, disruption of illegal activities, communicating with communities, and working in partnership with communities, other local authorities and the Police.</p> <p>A report detailing the background to incursions, current challenges, options and a comprehensive cost schedule has been circulated to SLT and will be further circulated for approval at member level.</p>	50
	<p>Oaktree Centre Remedial Work</p> <p>The Council owns the Oak Tree Centre on the Oxmoor, with the property being principally let to the NHS.</p> <p>A few years ago it was established that there were significant 'build' issues that are affecting the structural integrity. The Council has already undertaken some 'urgent' remedial works but more significant works are required.</p> <p>The estimated cost of the remedial works included in the capital programme is £0.950m; but as previously reported to Treasury and Capital Management Group, the gross cost is expected to be around £2m. However, overall there is a net nil change to the capital and a marginal decrease, as consequence of lower MRP, cost to revenue (this is because the financing will utilise the Oak Tree Remedial Works Earmarked Reserve).</p>	50
	<p>One Leisure St Ives Outdoor Fitness Offering</p> <p>A report to Cabinet in June 2019 outlined the proposals for maximising the returns for the Outdoor Centre at St Ives by converting the squash courts to provide a new fitness offering on the site. Cabinet approved the new scheme subject to a full feasibility study being provided to the December 2019 meeting.</p> <p>The capital programme included a £250k estimate for this scheme however the option now proposed is likely to cost £500k. This cost is reduced by £50k from the application of CIL funding.</p>	200
Total Growth		314
Underspend		
	<p>Re-Fit Projects</p> <p>The Project is scheduled to complete July 2019. Currently (prior to all variations being costed) £165889 is left to be paid. 2% of the total project costs must be kept as a retainer for 12 months following the completion of the project - approx £16,941.</p>	(58)
	<p>Disabled Facilities Grants</p> <p>Additional Better Care Fund grant has been received in excess of the approved budget (£95,000), SCDC has shared their excess grant with the council (£80,000), and contribution from tenants are forecast to be (£15,000). Additional expenditure based on commitments is forecast to be £10,000.</p>	(180)
	<p>Wheeled Bins</p> <p>Detailed planning for this years requirements for wheeled bins, taking into account new housing developments and bin stock it is expected that fewer bins will be required this year.</p>	(95)

	OL Ramsey 3G Pitch Additional grant received (£161,000) more than off-sets additional expenditure incurred £154,000.	(7)
	Parking Strategy Negotiations with the contractor over costs are producing a small saving of £15k on this project.	(15)
	Total Underspend	(355)
	Rephase	
	Robotics It is now expected that £10k of expenditure will be incurred in 2020/21.	(10)
	Income Management Software Work on this project has not yet begun and so some costs are likely to be moved into 2020/21.	(32)
	Total Rephase	(42)
	Total Net Expenditure Overspend/Underspend()	667
	Additional Information	
	Impressions Fitness Equipment Following tender analysis the preferred supplier for Lot A (the majority of the cost) would require additional capital expenditure but would have a saving on maintenance over 5 years of more than the additional capital spend. This additional could be up to £80,000.	

There is a risk that this level of forecast will not happen as there are schemes that are forecasted to overspend or underspend. This process is managed by the Finance and Procurement Governance Board, where final business cases will be examined.

The net spend on the Council's Capital Programme is financed via borrowing which has a revenue implication through the Minimum Revenue Provision (MRP).

The table below shows the capital programme by scheme with proposed rephasing, expenditure to date and forecast outturn. The financing of the capital programme showing the funding from grants and contributions, capital receipts, use of earmarked and capital reserves and internal borrowing.

Annex C – Capital Programme Summary Table 1

Annex D – Financial Dashboard

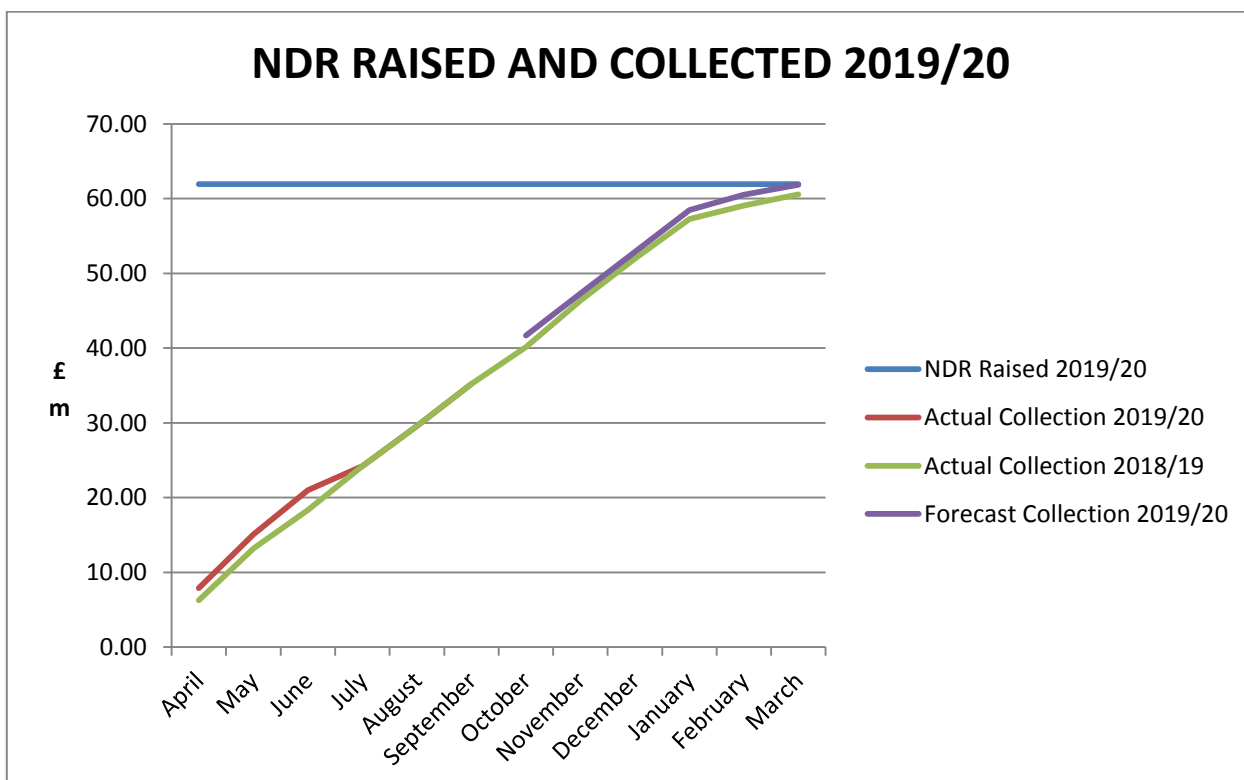

Council Tax Support Scheme

Currently, the actual take-up of Council Tax Support is running approximately £0.2m above the budgeted £6.7m. Any 2019/20 increase in Council Tax Support will impact in 2020/21.

The impact of this increase on HDC will be proportionate to all Council Tax precepts (13.5% for HDC including parishes).

Collection of NDR

The NDR graph above shows the total amount of NDR bills raised in 2019/20 and the actual receipts received up to the end of June, with a forecast for receipts through to the end of the year, based on historical collection rates. The Council tax graph below provides the same analysis.

Collection of Council Tax

Miscellaneous Debt

The total outstanding debt as at 30th September 2019 is £1.205m (July 2019, £1.619m). £256k relates to Commercial Rents, £439k relates to homeless accommodation/prevention, £79k relates to schools and other customers use of One Leisure facilities and £232k relates to Operations.

New Homes Bonus

As part of the Local Government Financial Settlement 2019/20 issued in December 2018 the Government announced changes to local government financing that included the phasing out of the New Homes Bonus Scheme. After 2018/19 no new NHB will be paid and so the amount we receive will tail off over the next 4 years. The impact of this has been included in the 2019/20 MTFS.

The process of considering CIS opportunities is as follows:

Step 1

Property investment opportunities are both introduced by agents and actively sourced by the Commercial Estates Team. An initial review is undertaken against the outline criteria of the CIS such as yield, length of lease, tenant strength etc. and if they are judged to be reasonable investments, further preliminary initial due diligence is undertaken to determine the quality of the leases and an initial financial appraisal is undertaken.

Step 2

If Step 1 is passed, more detailed due diligence is undertaken (including detailed tenant strength review, ownership title, property energy efficiency, market analysis of rents and yield etc), this may lead to a site visit and more robust financial appraisal/modelling and further market scrutiny.

Step 3

If Step 2 is passed, then approval is sought from the members of the Treasury & Capital Management Group, the Managing Director, Corporate Director (Services) and the Head of Resources to submit a formal initial bid, subject to contract and relevant building and condition surveys.

Step 4

If the bid submitted at Step 3 is successful, then this progresses to consideration by Overview and Scrutiny and approval for Cabinet.

Step 5

Once approval is given, formal legal and building condition due diligence commences by instruction of lawyers and building/specialist surveys are undertaken. This may take several weeks during which all concerns raised on legal and lease title and building condition are satisfied. If any significant concerns are unsatisfied, these can either be negotiated on price or withdraw from the purchase.

Reviews Undertaken July – September 2019 (Q2)

Over the above period, 38 properties in total were considered, 36 propositions were reviewed up to stage 1, two were considered to Stage 2 these were discounted as either poor properties, short leases income or overpriced. By property type, the investments considered in Q2 are as follows:

Offices	2	Development Sites	12
Retail	3	Industrial/warehouse	10
Car showrooms	6	Other (residential/leisure etc)	5

HUNTINGDONSHIRE DISTRICT COUNCIL

Title: Treasury Management Six Month Performance Review

Meeting/Date: Overview & Scrutiny (Performance and Growth) – 5th November 2019

Executive Portfolio: Executive Councillor for Strategic Resources: Councillor J A Gray

Report by: Finance Manager (Section 151 Officer)

Ward(s) affected: All Wards

RECOMMENDATION

The Overview and Scrutiny Panel is invited to comment on:

- The Treasury Management Six Month Review report attached. This report sets out the Treasury Performance from 1st April 2019 to 30th September 2019.

Public
Key Decision - No

HUNTINGDONSHIRE DISTRICT COUNCIL

Title: Treasury Management Six Month Performance Review

Meeting/Date: Cabinet - 21st November 2019

Executive Portfolio: Executive Councillor for Strategic Resources, Councillor J A Gray

Report by: Finance Manager (Section 151 Officer)

Ward(s) affected: All Wards

Executive Summary:

Best practice and prescribed treasury management guidance requires Members to be kept up to date in respect of treasury management activity for the first half of the year, including investment and borrowing activity and treasury performance.

The Council's 2019/20 Treasury Management Strategy was approved by the Council on the 27th February 2019 and this report sets out the Treasury Performance for period between 1st April 2019 and 30th September 2019.

The main purpose of Treasury Management is to;

- Ensure the Council has sufficient cash to meet its day to day obligations.
- Borrow when necessary to fund capital expenditure, including borrowing in anticipation of need when rates are considered to be low.
- Invest surplus funds in a manner that balances low risk of default by the borrower with a fair rate of interest.

The key market Treasury Management issues through the first half of 2019/20 influencing the Council's decision-making were;

- Economic growth forecasts are still more pessimistic due to the Brexit uncertainty, and real wage growth was up to 1.9% excluding bonuses after adjusting for inflation. The unemployment rate edged back down to 3.8% while the employment rate remained at 76.1%.
- Politics at home and abroad continued to be a big driver of financial markets over the last quarter. We have had a new Prime Minister- Boris Johnson since the last report was presented to the Cabinet.

- The Bank of England has maintained Bank Rate at 0.75%, and its August Inflation Report indicated the deterioration in global activity and sentiment. Therefore, the direction of interest rates could be in either direction depending on whether or not a deal is reached.
- Market rates as a whole are very low, due to the Bank Rate remaining historically low, reducing the Council's ability to earn a return on investments without increasing the risk of the investments. The Council's average investing rate was 0.59% (average interest rates obtained from Bank Deposits and Money Market Funds).

The Council's responses to the key issues were;

- When the Council has surplus funds these will primarily be invested on a short term basis, in bank deposit accounts and money market funds.
- Where possible to take a higher return without sacrificing liquidity.
- When borrowing the Council has used the Public Works Loan Board (PWLB), which offers low fixed rate borrowing, based on gilt yields over a long period. The average interest rate paid was 2.76%.
- Where economic conditions are forecast to deteriorate it is vital to monitor financial institutions credit rating, and credit default swap rates (the cost to insure lending). This information is provided by the Council's treasury adviser- Arlingclose.

The Council's Commercial Investment Strategy (CIS)

The Commercial Investment Strategy commenced in 2015/16. Indicators relating to the investments are shown in **Appendix A section 3.5**.

The returns from the CIS portfolio represent a higher return than those from financial institutions and in addition offer a less risky investment as they are backed by a physical asset.

These investments generated £2.8m of investment income for the Council in 2018/19 after taking account of direct costs, representing a rate of return of 6.1%. The breakdown of the properties portfolio is shown in **Table 6** and the proportion of the investment income in relation to gross service expenditure, in **Table 7 of Appendix A**.

Recommendation(s):

The Cabinet is recommended to

- Note the treasury management performance for the first 6 months of 2019/20 and to recommend the report to Council for consideration.

1. PURPOSE OF THE REPORT

- 1.1 The purpose of this report is to update Members on the Council's treasury management activity for the first 6 months of the year, including investment and borrowing activity and treasury performance.

2. BACKGROUND

- 2.1 It is regarded as best practice and prescribed treasury management practice, that Members are kept up to date with treasury management activity.
- 2.2 The Council approved the 2019/20 Treasury Management Strategy at its meeting on 27th February 2019.
- 2.3 All treasury management activity undertaken during the first half of 2019/20 complied with the CIPFA Code of Practice and relevant legislative provisions.
- 2.4 The investment strategy is to invest any surplus funds in a manner that balances low risk of default by the borrower with a fair rate of interest. The Council's borrowing strategy permits borrowing for cash flow purposes and funding current and future capital expenditure over whatever periods are in the Council's best interests.

3. ANALYSIS

Economic Review

- 3.1 An economic review of the year has been provided by our Treasury Management advisors, Arlingclose and is attached with an analysis of the local context implications in **Appendix A section 2.0**. The main relevance to the Council is
- Economic growth still remains very low and the quarterly National Accounts for Q2 GDP confirmed the UK economy contracted by 0.2%.
 - Real wage growth improved by 1.9% excluding the bonuses and 2.1% if bonuses were included. Employment growth has been softening and rose just by 31,000 in the three month to July.
 - Inflation fell to 1.7% year/year in August. This was below the Bank of England forecast.
 - The bank rate was kept at 0.75%. As a consequence the Council's borrowing costs will remain low but the opportunities to make significant returns on financial investments remain limited but improving.
 - Politics both at home abroad were still a big driver of financial markets over the last quarter.

Performance of Council Funds

- 3.2 The treasury management transactions undertaken during the first 6 months of 2019/20 financial year and the details of the investments and

loans held as at 30th September 2019 are shown in detail in **Appendix A section 3.0 to 3.2.**

Risk Management

- 3.3 The Council's primary objectives for the management of its investment are to give priority to the security and liquidity (how quickly cash can be accessed) of its funds before seeking the best rate of return. For more details see **Appendix A section 3.3.**

Readiness for Brexit

- 3.4 The scheduled date for the UK to leave the EU is now 31st October 2019 and there remains little political clarity as to whether a deal will be agreed by this date. The step being taking by this Council to ensure money invested in Money Market Funds are secure is stated in **Appendix A section 3.4.**

Non Treasury Investments

- 3.5 The definition of investments in CIPFA's revised Treasury Management Code now covers all the financial assets of the Council as well as other non financial assets which the Council holds primarily for financial return. The full details of these investments can be found on **Section 3.5 of Appendix A.**

Compliance

- 4.0 Compliance with specific investment and debt limits are indicated in table **8 and 9 of Appendix A.**

Treasury Management Indicators

- 5.0 The Council measures and manages its exposure to treasury management risks using indicators which are details in the **Appendix A section 5.0.**

Treasury Management Six Month Performance Review

1.0 Introduction

The Council adopted the Chartered Institute of Public Finance and Accountancy's *Treasury Management in the Public Services: Code of Practice* (the CIPFA Code) which requires the Council to approve treasury management semi-annual and annual reports.

The Council's treasury management strategy for 2019/20 was approved at a meeting on 27th February 2019. The Council has borrowed and invested substantial sums of money and is therefore exposed to financial risks including the loss of invested funds and the revenue effect of changing interest rates. The successful identification, monitoring and control of risk remain central to the Council's treasury management strategy.

The 2017 Prudential Code includes a requirement for local authorities to provide a Capital Strategy, a summary document approved by full Council covering capital expenditure and financing, treasury management and non-treasury investments. The Council's Capital Strategy, complying with CIPFA's requirement, was approved by full Council on 27th February 2019.

2.0 External Context

2.1 Economic background

Inflation

UK Consumer Price Inflation (CPIH) fell to 1.7% year/year in August 2019 from 2.0% in July, weaker than the consensus forecast of 1.9% and below the Bank of England's target.

In local context, the inflationary pressures have eased and as a result there is reducing pressure on some budgets. However, the MTFs forecast should factor in the rate of inflation in order to accommodate increase in prices in medium to long term.

Labour Market

The most recent labour market data for the three months to July 2019 showed the unemployment rate edged back down to 3.8% while the employment rate remained at 76.1%, the joint highest since records began in 1971. Nominal annual wage growth measured by the 3-month average excluding bonuses was 3.8% and 4.0% including bonuses. Adjusting for inflation, real wages were up 1.9% excluding bonuses and 2.1% including.

In local context, the Council may find it harder to recruit suitable skilled staff and

may have to offer a higher starting salary to attract skilled workers.

Economic Growth

The Quarterly National Accounts for Q2 GDP confirmed the UK economy contracted by 0.2% following the 0.5% gain in Q1 which was distorted by stockpiling ahead of Brexit. Only the services sector registered an increase in growth, a very modest 0.1%, with both production and construction falling and the former registering its largest drop since Q4 2012. Business investment fell by 0.4% (revised from -0.5% in the first estimate) as Brexit uncertainties impacted on business planning and decision-making.

Locally, the challenging conditions in the economy will impact on the Council's services that are income earning.

Politics

Politics both home and abroad, continued to be a big driver of financial markets over the last quarter. Boris Johnson won the Conservative Party leadership contest and has committed to leaving the EU on 31st October regardless of whether a deal is reached with the EU.

Withdrawal from the EU may create skills shortages especially in the construction and tourism industries. Whilst it seems to have a no direct impact on the Council, there may be a role for the Council to engage with the local economy to help to support local businesses where there are skills shortages.

Global Monetary Policy

Tensions continued between the US and China with no trade agreement in sight and both countries imposing further tariffs on each other's goods. The US Federal Reserve cut its target Federal Funds rates by 0.25% in September to a range of 1.75% - 2%, a pre-emptive move to maintain economic growth amid escalating concerns over the trade war and a weaker economic environment leading to more pronounced global slowdown. The euro area Purchasing Manager Indices (PMIs) pointed to a deepening slowdown in the Eurozone. These elevated concerns have caused key government yield curves to invert, something seen by many commentators as a predictor of a global recession. Market expectations are for further interest rate cuts from the Fed and in September the European Central Bank reduced its deposit rate to -0.5% and announced the recommencement of quantitative easing from 1st November.

A reduction in economic activity could have an adverse effect on the Council's trading operations (e.g. CIS, Markets, Car Parks, Building Control, Development Control and leisure); as well as receipts from business rates and council tax.

Interest Rates Forecast

The Bank of England maintained Bank Rate at 0.75% and in its August Inflation Report noted the deterioration in global activity and sentiment and confirmed that monetary policy decisions related to Brexit could be in either direction depending on whether or not a deal is ultimately reached by 31st October.

The historical low level of interest rates, have made it difficult to achieve a higher rates returns on investment.

2.2 Financial markets

After rallying early in 2019, financial markets have been adopting a more risk-off approach in the following period as equities saw greater volatility and bonds rallied (prices up, yields down) in a flight to quality and anticipation of more monetary stimulus from central banks. The Dow Jones, FTSE 100 and FTSE 250 are broadly back at the same levels seen in March/April.

Gilt yields remained volatile over the period on the back of ongoing economic and political uncertainty. From a yield of 0.63% at the end of June, the 5-year benchmark gilt yield fell to 0.32% by the end of September. There were falls in the 10-year and 20-year gilts over the same period, with the former dropping from 0.83% to 0.55% and the latter falling from 1.35% to 0.88%. 1-month, 3-month and 12-month LIBID (London Interbank Bid) rates averaged 0.65%, 0.75% and 1.00% respectively over the period.

Recent activity in the bond markets and PWLB interest rates highlight that weaker economic growth remains a global risk. The US yield curve remains inverted with 10-year Treasury yields lower than US 3-month bills. History has shown that a recession hasn't been far behind a yield curve inversion. Following the sale of 10-year Bunds at -0.24% in June, yields on German government securities continue to remain negative in the secondary market with 2 and 5-year securities currently both trading around -0.77%.

2.3 Credit background

Credit Default Swap (CDS) spreads rose and then fell again during the quarter, continuing to remain low in historical terms. After rising to almost 120bps in May, the spread on non-ring-fenced bank NatWest Markets plc fell back to around 80bps by the end of September, while for the ring-fenced entity, National Westminster Bank plc, the spread remained around 40bps. The other main UK banks, as yet not separated into ring-fenced and non-ring-fenced from a CDS perspective, traded between 34 and 76bps at the end of the period.

There were minimal credit rating changes during the period. Moody's upgraded The Co-operative Bank's long-term rating to B3 and Fitch upgraded Clydesdale Bank and Virgin Money to A-.

3.0 Local Context

On 31st March 2019, the Council had net borrowing of £13.08m arising from its revenue and capital income and expenditure. The underlying need to borrow for capital purposes is measured by the Capital Financing Requirement (CFR), while usable reserves and working capital are the underlying resources available for investment. These factors are summarised in Table 1 below.

Table 1: Balance Sheet Summary

	31.3.19 Estimate £m	31.3.19 Actual £m
General Fund CFR	44.60	57.70
Less: *Other debt liabilities	0.50	0.50
Total CFR	44.10	58.20
External borrowing	20.70	28.53
Internal borrowing	23.40	29.67
Less: Usable reserves	39.40	43.12
Less: Working capital	4.00	9.04
Net Investing	20.00	22.49

The Council pursued its strategy of keeping borrowing and investments below their underlying levels, sometimes known as internal borrowing, in order to reduce risk and keep interest costs low.

The treasury management position at 30th September 2019 and the change during the year is shown in Table 2 below.

Table 2: Treasury Management Summary

	31.3.19 Balance £m	Movement £m	30.9.19 Balance £m	30.9.19 Rate %
Long-term borrowing	28.53	11.70	40.23	2.76
Short-term borrowing	0.00		0.00	
Total borrowing	28.53		40.23	
Long-term investments	12.53	0.12	12.41	3.85
Short-term investments	1.00	(1.00)	0.00	
Cash and cash equivalents	1.92	14.13	16.05	0.59
Total investments	15.45		28.46	3.38
Net borrowing	13.08		11.77	

The large movement in long-term borrowing was as a result of additional borrowing of £11.96m on the 26th June 2019 from PWLB to fund the asset purchase of CMS Distribution TriLink, Wakefield Europort. The total cost of this asset was £14.42m and the remaining £2.46m amount was funded by internal borrowing.

The movement in the cash and cash equivalent has been as result of council tax and NNDR receipts; these funds were invested in bank deposits and Money Market Funds for easy access and liquidity reasons.

3.1 Borrowing Strategy during the period

At 30th September 2019 the Council held £40.23m of loans, an increase of £11.70m to 31st March 2019, as part of its strategy for funding CIS programmes. Outstanding loans on 30th September are summarised in Table 3 below.

Table 3: Borrowing Position

	31.3.19	Net	30.9.19	30.9.19	30.9.19
	Balance	Movement	Balance	Weighted	Weighted
	£m	£m	£m	Average	Average
				Rate	Maturity
				%	(years)
Public Works Loan Board	28.53	11.70	40.23	2.76	23.90
Local authorities (short-term)	-		-		
Total borrowing	28.53		40.23		23.90

The Council's chief objective when borrowing has been to strike an appropriately low risk balance between securing low interest costs and achieving cost certainty over the period for which funds are required, with flexibility to renegotiate loans should the Council's long-term plans change being a secondary objective.

With short-term interest rates remaining much lower than long-term rates, the Council considered it to be more cost effective in the near term to use internal resources or short-term loans instead. The Council had not used short-term loans facility so far in this financial year.

The Council has an increasing CFR due to the capital programme including CIS purchases and an estimated borrowing requirement as determined by the Liability Benchmark which also takes into account usable reserves and working capital. Having considered the appropriate duration and structure of the Council's borrowing need based on realistic projections, the Council decided to take some advantage of the fall in external borrowing rates and borrowed £11.96m maturity loans.

Long dated Loans borrowed	PWLB Reference	Amount £	Rate %	Period (Years)
PWLB 1	495152	5,000,000	3.91	39.0
PWLB 2	495153	5,000,000	3.90	38.5
PWLB 3	502463	640,353	2.24	3.5
PWLB 4	504487	698,064	3.28	27.0
PWLB 5	504598	928,734	3.10	27.0
PWLB 6	504810	463,278	2.91	27.0
PWLB 7	504922	375,756	3.10	27.5
PWLB 8	504993	304,723	2.92	27.5
PWLB 9	505255	605,334	2.31	27.5
PWLB 10	505372	464,938	2.18	27.5

PWLB 11	505649	827,972	2.67	28.0
PWLB 12	506436	5,000,000	2.78	18.0
PWLB 13	508696	7,291,685	2.49	19.0
PWLB 14	508931	666,667	1.48	2.0
PWLB 15	509389	11,963,000	2.18	19.5
Total borrowing		40,230,504	2.76	23.9

The Council's borrowing decisions are not predicated on any one outcome for interest rates and a balanced portfolio of short- and long-term borrowing was maintained.

3.2 Treasury Investment Activity

The Council holds significant invested funds, representing income received in advance of expenditure plus balances and reserves held and money borrowed in advance of need. During the year, the Council's investment balances ranged between £2.52m and £24.65 million due to timing differences between income and expenditure. The investment position is shown in table 4 below.

Table 4: Treasury Investment Position

	31.3.19 Balance	Net Movement	30.9.19 Balance	30.9.19 Income Return	30.9.19 Weighted Average Maturity days
	£	£m	£m	%	
Banks & building societies (unsecured)	1,171,315	6,440,685	7,612,000	0.32	30
Government (incl. local authorities)	1,000,000	(1,000,000)	-	-	7
Money Market Funds	745,000	7,695,000	8,440,000	0.73	7
Loans to other organisation	8,566,528	(121,775)	8,444,753	3.29	>365
Other Pooled Funds.					
- Property funds	3,965,539		3,965,539	4.23	>365

Total investments	15,448,382	13,013,910	28,462,292	3.51*
--------------------------	-------------------	-------------------	-------------------	--------------

The weighted average rate for the investment portfolio up to 30.09.2019 was 3.51%.

3.3 Risk Management

Both the CIPFA Code and government guidance require the Council to invest its funds prudently, and to have regard to the security and liquidity of its treasury investments before seeking the optimum rate of return, or yield. The Council's objective when investing money is to strike an appropriate balance between risk and return, minimising the risk of incurring losses from defaults and the risk of receiving unsuitably low investment income.

Given the increasing risk and low returns from short-term unsecured bank investments, the Council has maintained a diversified portfolio of asset classes as shown in table 4 above. £7.7m that was available for short-term investment was moved from bank and building society deposits into Money Market funds which had higher rates of return than bank deposits. As a result, investment risk was diversified while the average income return has increased by 0.11% to 3.51%.

The progression of risk and return metrics are shown in the extracts from Arlingclose's quarterly investment benchmarking in Table 5 below.

Table 5: Investment Benchmarking – Treasury investments managed in-house

	Credit Score	Credit Rating	Bail-in Exposure	Weighted Average Maturity (days)	Rate of Return
			%		%
31.03.2019	4.30	AA-	66	2	3.60
30.09.2019	4.72	A+	100	1	1.35
Similar LAs	4.26	AA-	53	86	1.80
All LAs	4.28	AA-	55	29	1.43

*Weighted average maturity

£3.97m of the Council's investments are held in externally managed strategic pooled property funds – CCLA Property Fund where short-term security and liquidity are lesser considerations, and the objectives instead are regular revenue income and long-term price stability. This fund generated an average total return of £83,478 (4.23%), comprising a £29,842 (0.59%) income return from bank deposit

and MMFs combined for period of 1st April to 30 September 2019 which is used to support services in year.

Because these funds have no defined maturity date, but are available for withdrawal after a notice period, their performance and continued suitability in meeting the Council's investment objectives are regularly reviewed. Strategic fund investments are made in the knowledge that capital values will move both up and down on months, quarters and even years; but with the confidence that over a three- to five-year period total returns will exceed cash interest rates. In light of their performance over the medium-term and the Council's latest cash flow forecasts, investment in these funds has been maintained.

3.4 Readiness for Brexit

The scheduled leave date for the UK to leave the EU is now 31st October 2019 and there remains little political clarity as to whether a deal will be agreed by this date and there is the possibility that the exit date is pushed back yet again. As 31st October approaches the Council will ensure there are enough accounts open at UK-domiciled banks and Money Market Funds to hold sufficient liquidity required in the near term and that its account with the Debt Management Account Deposit Facility (DMADF) remains available for use in an emergency.

3.5 Non-Treasury Investments

The definition of investments in CIPFA's revised Treasury Management Code now covers all the financial assets of the Council as well as other non-financial assets which the Authority holds primarily for financial return. This is replicated in MHCLG's Investment Guidance, in which the definition of investments is further broadened to also include all such assets held partially for financial return.

The Authority also held £60.1m of such investments in:

- directly owned property £60.0m
- shareholding in subsidiaries £0.1m

Table 6: Property held for investment purposes in £'000

Property	Actual Purchase cost	31.3.2019 Gains or (losses)	actual Value in accounts	31.3.2020 Gains or (losses)	expected Value in accounts
Existing Portfolio	19,644	1,234	20,878	0	19,644
2 Stonehill	1,400	250	1,650	0	1,400

80 Wilbury Way	2,200	(125)	2,075	0	2,200
Shawlands Retail Park	6,500	(500)	6,000	0	6,500
1400 & 1500 Parkway	5,425	(175)	5,250	0	5,425
Units 21a, 21b,23a,b,c Little End Road, St Neots	3,200	0	3,200	0	3,200
Rowley Centre, St Neots	7,600	(400)	7,200	0	7,200
Tri-link, Wakefield	13,750	0	0	0	13,750
TOTAL	59,719	284	46,253	0	60,003

These investments generated £2.8m of investment income for the Authority in 2018/19 after taking account of direct costs, representing a rate of return of 6.1%.

The Authority is dependent on profit generating investment activity to achieve a balanced revenue budget. The table below shows the extent to which the expenditure planned to meet the service delivery objectives and/or place making role of the Authority is dependent on achieving the expected net profit from investments over the lifecycle of the Medium Term Financial Plan. Should it fail to achieve the expected net profit, the Authority's contingency plans for continuing to provide these services, are to use reserves where necessary to offset any negative variances in the final outturn. Unallocated general fund balances and budget surplus reserve can be used in case of a downturn in investment income to meet any detrimental effect.

Table 7: Proportionality of Investments in £'000

	2017/18 Actual	2018/19 Actual	2019/20 Budget	2020/21 Budget	2021/22 Budget
Gross service expenditure	78,322	75,729	69,951	63,638	59,787
Investment income	2,639	2,753	2,792	2,950	2,516
Proportion	3.4%	3.6%	4.0%	4.6%	4.2%

4.0 Compliance

The Finance Manager (s151 officer) reports that all treasury management activities undertaken during the quarter complied fully with the CIPFA Code of Practice and the Council's approved Treasury Management Strategy. Compliance with specific investment limits is demonstrated in table 6 below.

Compliance with the authorised limit and operational boundary for external debt is demonstrated in table 7 below.

Table 8: Debt Limits

	30.9.19 Actual £m	2019/20 Operational Boundary £m	2019/20 Authorised Limit £m	Complied?
General	10.00	70.00	80.00	Yes
Loans	5.98	15.00	20.00	Yes
CIS	24.25	30.00	30.00	Yes
Total debt	40.23	115.00	130.00	

Since the operational boundary is a management tool for in-year monitoring it is not significant if the operational boundary is breached on occasions due to variations in cash flow, and this is not counted as a compliance failure. Total debt was below the operational boundary all through the quarter.

Table 9: Investment Limits

Deposit Accounts	30.9.19 Actual £m	2019/20 Limit £m	Complied?
NatWest	0.83	1.00	Yes
Debt Management Office (DMO)	-	unlimited	Yes
Santander	2.04	4.00	Yes
Handelsbanken	0.87	4.00	Yes
Barclays	3.88	4.00	Yes

Money Market Funds	30.9.19 Actual £m	2019/20 Limit £m	Complied?
BlackRock Institutional sterling liquidity Fund	1.00	2.00	Yes
CCLA Public Sector Deposit Fund	1.00	1.00	Yes
Federated Short Term Prime Fund	1.50	2.00	Yes
Insight Liquidity Funds	1.50	2.00	Yes
Legal & General Sterling Liquidity Fund	2.00	2.00	Yes
Aberdeen Liquidity Fund	0.44	2.00	Yes

5.0 Treasury Management Indicators

The Council measures and manages its exposures to treasury management risks using the following indicators.

Security

The Council has adopted a voluntary measure of its exposure to credit risk by monitoring the value-weighted average credit rating of its investment portfolio. This is calculated by applying a score to each investment (AAA=1, AA+=2, etc.) and taking the arithmetic average, weighted by the size of each investment. Unrated investments are assigned a score based on their perceived risk.

	30.9.19 Actual	2019/20 Target	Complied?
Portfolio average credit rating	A+	A-	Yes

Liquidity

The Council has adopted a voluntary measure of its exposure to liquidity risk by monitoring the amount of cash available to meet unexpected payments within a rolling three-month period, without additional borrowing.

	30.9.19 Actual £m	2019/20 0 Target £m	Complied ?
Total cash available within 3 months	14.2	2.0	Yes

Interest Rate Exposures

This indicator is set to control the Council's exposure to interest rate risk. The upper limits on the one-year revenue impact of a 1% rise or fall in interests was:

Interest rate risk indicator	30.9.19 Actual	2019/20 Limit	Complied?
Upper limit on one-year revenue impact of a 1% <u>rise</u> in interest rates	0*	£128,000	Yes
Upper limit on one-year revenue impact of a 1% <u>fall</u> in interest rates	0*	£128,000	Yes

*There has not been any significant change in interest rate of borrowing that could impact the Council's one-year revenue because the PWLB loans were all fixed rates.

The impact of a change in interest rates is calculated on the assumption that maturing loans and investment will be replaced at current rates.

Maturity Structure of Borrowing

This indicator is set to control the Council's exposure to refinancing risk. The upper and lower limits on the maturity structure of all borrowing were:

	30.9.19 Actual	Upper Limit	Lower Limit	Complied?
Under 12 months	0%	80%	0%	Yes
12 months and within 24 months	6.70%	80%	0%	Yes
24 months and within 5 years	6.70%	80%	0%	Yes
5 years and within 10 years	0%	100%	0%	Yes
10 years and above	86.70%	100%	0%	Yes

Time periods start on the first day of each financial year. The maturity date of borrowing is the earliest date on which the lender can demand repayment.

Principal Sums Invested for Periods Longer than a year

The purpose of this indicator is to control the Council's exposure to the risk of incurring losses by seeking early repayment of its investments. The limits on the long-term principal sum invested to final maturities beyond the period end were:

	2019/20	2020/21	2021/22
Actual principal invested beyond year end	£8.44m	£7.56m	£7.19m
Limit on principal invested beyond year end	£10.00m	£10.00m	£10.00m
Complied?	Yes	Yes	Yes

6.0 Outlook for the remainder of 2019/20

The global economy is entering a period of slower growth in response to political issues, primarily the trade policy stance of the US. The UK economy has displayed a marked slowdown in growth due to both Brexit uncertainty and the downturn in global activity. In response, global and UK interest rate expectations have eased dramatically.

There appears no near-term resolution to the trade dispute between China and the US, a dispute that the US appears comfortable exacerbating further. With the 2020 presidential election a year away, Donald Trump is unlikely to change his stance.

Parliament appears to have frustrated UK Prime Minister Boris Johnson's desire to exit the EU on 31st October. The probability of a no-deal EU exit in the immediate term has decreased, although a no-deal Brexit cannot be entirely ruled out for 2019 and the risk of this event remains for 2020. The risk of a general election in the near term has, however, increased.

Central bank actions and geopolitical risks will continue to produce significant volatility in financial markets, including bond markets.

Our treasury advisor Arlingclose expects Bank Rate to remain at 0.75% for the foreseeable future but there remain substantial risks to this forecast, dependant on Brexit outcomes and the evolution of the global economy. Arlingclose also expects gilt yields to remain at low levels for the foreseeable future and judge the risks to be weighted to the downside and that volatility will continue to offer longer-term borrowing opportunities

	Dec-19	Mar-20	Jun-20	Sep-20	Dec-20	Mar-21	Jun-21	Sep-21	Dec-21	Mar-22	Jun-22	Sep-22	Dec-22

This page is intentionally left blank

Capital Prudential Indicators

Capital expenditure is where the Council spends money on assets, such as property or vehicles that will be used for more than one year. This includes spending on assets owned by other bodies, loans and grants to other bodies enabling them to buy assets. The Council has some limited discretion on what counts as capital expenditure, for example assets costing below £10,000 are not capitalised and are charged to revenue in year.

The summary of the capital expenditure is shown in the Table 1 below.

Table 1: Summary of Capital Expenditure in £m

	2019/20 Budget	2019/20 Forecast
General Fund Services	7.7	11.1
Capital investments	0.0	14.7
Total	7.7	25.8

All capital expenditure must be financed, either from external sources (government grants and other contributions), the Council's own resources (revenue, reserves and capital receipts) or debt (borrowing and leasing).

Table 2: The summary of Capital financing in £m

	2019/20 Budget	2019/20 Forecast
External sources	1.5	1.8
Own resources	1.2	1.6
Debt	5.0	22.4
Total	7.7	25.8

Debt is only temporary source of finance since loans and leases a must be repaid, and this is therefore replaced over time by other financing, usually from revenue which is known as minimum revenue provision (MRP).

Table 3: The summary of capital Financing Requirement in £m

	2019/20 Budget	2019/20 Forecast
General Fund Services	41.5	47.9
Capital investments	5.7	32.2
Total CFR	47.2	80.1

When a capital asset is no longer needed, it may be sold so that the proceeds known as capital receipts can be spent on new assets or to repay debt. The Council is currently also permitted to spend capital receipts on service transformation projects until 2021/22. Repayments of capital grants, loans and investments also generate capital receipts.

The summary of the capital receipts is shown in Table 4 below in £m.

	2019/20 Budget	2019/20 Forecast
Asset sales	0.88	0.93
Loans repaid	0.32	0.32
Total	1.20	1.25

GLOSSARY

Bail in Risk

Bail in risk arises from the failure of a bank. Bond-holders or investors in the bank would be expected to suffer losses on their investments, as opposed to the bank being bailed out by government.

Bank Equity Buffer

The mandatory capital that financial institutions are required to hold, in order to provide a cushion against financial downturns, to ensure the institution can continue to meet its liquidity requirements.

Bank Stress Tests

Tests carried out by the European Central Bank on 51 banks across the EU. The tests put banks under a number of scenarios and analyse how the bank's capital holds up under each of the scenarios. The scenarios include, a sharp rise in bond yields, a low growth environment, rising debt, and adverse action in the unregulated financial sector.

Bonds

A bond is a form of loan, the holder of the bond is entitled to a fixed rate of interest (coupon) at fixed intervals. The bond has a fixed life and can be traded.

Call Account

A bank account that offers a rate of return and the funds are available to withdraw on a daily basis.

Capital Financing Requirement (CFR)

The CFR is a measure of the capital expenditure incurred historically, but has yet to be financed; by for example capital receipts or grants funding.

Collar (Money Market Fund)

The fund "collar" forms part of the valuation mechanism for the fund. LVNAV funds allow investors to purchase and redeem shares at a constant NAV calculated to 2 decimal places, i.e. £1.00. This is achieved by the fund using amortised cost for valuation purposes, subject to the variation against the marked-to-market NAV being no greater than 20 basis points (0.2%). (This compares to current Prime CNAV funds which round to 50 basis points, or 0.5%, of the NAV.)

Counterparty

Another organisation with which the Council has entered into a financial transaction with, for example, invested with or borrowed from.

Credit Default Swaps (CDS)

A financial agreement that the seller of the CDS will compensate the buyer in the event of a loan default. The seller insures the buyer against a loan defaulting.

Credit Ratings

A credit rating is the evaluation of a credit risk of a debtor, and predicting their ability to pay back the debt. The rating represents an evaluation of a credit rating agency of the qualitative and quantitative information, this result in a score, denoted usually by the letters A to D and including +/-.

Gilts

Bonds issued by the Government.

LIBOR

London Interbank Offered Rate is the rate at which banks are willing to lend to each other.

LIBID

London Interbank Bid Rate is the rate at which a bank is willing to borrow from other banks.

Liquidity

The degree to which an asset can be bought or sold quickly.

LVNAV Money Market Fund

Low volatility net asset value. The fund will have at least 10% of its assets maturing on a daily basis and at least 30% of assets maturing on a weekly basis.

Minimum Revenue Provision (MRP)

An amount set aside to repay debt.

Money Market Funds

An open ended mutual fund that invests in short-term debt securities. A deposit will earn a rate of interest, whilst maintaining the net asset value of the investment. Deposits are generally available for withdrawal on the day.

Public Works Loans Board (PWLB)

The PWLB is an agency of the Treasury, it lends to public bodies at fixed rates for periods up to 50 years. Interest rates are determined by gilt yields.

Transactional Banking

Use of a bank for day to day banking requirement, e.g. provision of current accounts, deposit accounts and on-line banking.

Key Decision - No

HUNTINGDONSHIRE DISTRICT COUNCIL

Title/Subject Matter: Cabinet Feedback: Final Report of the Accelerating the Delivery of Affordable Housing Task and Finish Group

Meeting/Date: Overview and Scrutiny Panel (Performance and Growth) – 5th November 2019

Executive Portfolio: Councillor R Fuller, Executive Councillor for Housing, Planning and Economic Development

Report by: Cabinet

Ward(s) affected: All

Executive Summary:

To provide feedback to the Overview and Scrutiny Panel (Performance and Growth) on the outcome of Cabinet's deliberations on the Final Report of the Accelerating the Delivery of Affordable Housing Task and Finish Group.

Recommendation:

The Overview and Scrutiny Panel (Performance and Growth) is

RECOMMENDED

to note the contents of this report.

1. PURPOSE OF THE REPORT

- 1.1 The Cabinet considered the Final Report of the Accelerating the Delivery of Affordable Housing Task and Finish Group at its meeting on 24th October 2019. This report provides feedback on the Cabinet's deliberations.

2. COMMENTS OF CABINET

- 2.1 Councillor S J Corney addressed the Cabinet on the findings of the Task and Finish Group and advised that the proposed recommendations intended to generate more awareness of the work already undertaken by the Council in the delivery of affordable housing rather than the acceleration of it.
- 2.2 The fourth recommendation was discussed. With the agreement of Councillor S J Corney, it was agreed that this should not be endorsed in light of the fact that statistics on homelessness and the number of affordable homes completed are already sent to Members.
- 2.3 The Executive Councillor for Housing, Planning and Economic Development made comment on the process, in particular, the omission of his involvement in the study. Different outcomes from the study might have been generated if he had been involved. Nevertheless, Councillor Fuller expressed his support for the three recommendations proposed.
- 2.4 A brief discussion took place on Housing Associations. The Cabinet concur with the view that Housing Associations need to be more proactive in their approach to the delivery of affordable housing.
- 2.5 The Cabinet thanked the Overview and Scrutiny Panel for their report and endorsed the following recommendations:
- (a) that, whilst recognising the importance of Rural Exception sites in providing affordable housing to areas that need them, the Council should not be reliant on them in order to accelerate and increase the delivery of affordable housing;
 - (b) that the Council should continue to support Rural Exception Sites and promote the opportunities they will bring in providing affordable housing to rural areas; and
 - (c) that the Council should continue to review and, if practicable, pursue the opportunities that partnership working with Housing Associations offer in accelerating the development of affordable housing. In particular, the Council should continue to encourage and support Housing Associations in securing sites in their own right resulting in less reliance on developers.

3. REASONS FOR THE RECOMMENDED DECISIONS

- 3.1 There is a constitutional requirement for the relevant Executive Councillor to provide a written response to the Overview and Scrutiny Panel's recommendations.
