Application Name	Amount Requested	Total Cost of Project	Description	Theme Being Addressed	Meets Criteria Yes or No?	Applicant and Area covered by Project
Eco Group	£200.00	£200.00	We are aware of local Active Travel initiatives. We have reviewed our site since installing 2 cycle stands (4 parked bikes) 3 years ago. We have now identified 2 further spaces to install another 2 stands. We want to encourage community groups using our newly refurbished premises to cycle and walk. To do this we need to provide stands to which cycles can be securely attached. We are delighted that the 'Parents & Tots' group are amongst those asking for more cycle parking provision.	<ul style="list-style-type: none"> <li>• Good Place</li> <li>• Good Health</li> <li>• Good Start</li> </ul>	Yes	St Ives Methodist Church  St Ives
Karate Club for SEND Children and Adults	£350.00	£3,000/year	A karate club for all SEN kids and adults to train for free. I want to give some back to the community and send out a message to the public that disability must be respected, and we must not take life for granted. In the class I do not separate SEN students they all train together and the reason for that is the SEN kids don't feel they are outcast (so to speak) and the normal kids to help support and be polite friendly and learn about disability so that when they put in public they understand the disability world. All the parents are happy with SEN joining together and it works.	<ul style="list-style-type: none"> <li>• Good Place</li> <li>• Good Health</li> <li>• Good Start</li> </ul>	Yes	Shinjitsu Karate Club  Fenstanton, St Ives and Huntingdon
