

Key Decision Details

Decision Name CIVIL PARKING ENFORCEMENT

Date of Decision 17 September 2015

Decision maker Cabinet

That the Cabinet:

i. Does not commit to being the County Council's agent for Civil Parking Enforcement in Huntingdonshire because the case for such powers has not yet been made and such powers are not financially viable.

Describe the Decision taken

ii. Agrees that the Parking Service should engage with the County Council about the development of a comprehensive traffic management strategy for Huntingdonshire that includes funding by the County for the infrastructure costs if the strategy proposes a Civil Enforcement Area for the district.

What were the reasons for taking the Decision?

The Consultant's report did not reach a definitive conclusion on whether the Council should support the County Council in adopting Civil Parking Enforcement powers and to act as the County Council's agent in the delivery of the powers. Therefore the report is necessary to determine the position of the Council and then to work with the County Council on the development of future traffic management plans for Huntingdonshire
