

Key Decision Details

Decision Name REVIEW OF WASTE POLICIES

Date of Decision 17 March 2016

Decision maker Cabinet

Describe the Decision taken

- i. Endorses the revised Waste Collection Policies, as attached as Appendix 1 of the submitted report, with the revision to Policy 3 – Number of Wheeled Bins and Sacks Provided, that up to two additional 240litre bins for green and food waste can be provided on request subject to an annual charge; and
- ii. Approves the consultation on the options for waste minimisation and potential charges for bin replacements, as detailed in the submitted report, subject to consultations not commencing until the new Municipal Year.

What were the reasons for taking the Decision?

The Council's Waste Collection Policies have been updated to account for changes in material types collected and to clarify some service delivery issues. The revision also includes a policy for remote properties located on private roads/tracks and unadopted roads; an updated rejection policy based on trials undertaken and a new policy regarding repeated contamination of recycling bins.

What alternative options were considered and rejected?

Three options for public consultation, as detailed in paragraph 3.11 of the submitted report, to reduce grey bin capacity.

The options for charging for replacement bins that have been damaged, lost or stolen to be

tested through public consultation, as detailed in paragraph 3.16 of the submitted report.
