2. Filming, Photography and Recording at Council Meetings

The District Council supports the principles of openness and transparency in its decision making and permits filming, recording and the taking of photographs at its meetings that are open to the public. It also welcomes the use of social networking and micro-blogging websites (such as Twitter and Facebook) to communicate with people about what is happening at meetings. Arrangements for these activities should operate in accordance with guidelines agreed by the Council and available via the following link [filming, photography and recording at council meetings.pdf](#) or on request from the Democratic Services Team.
