BROUGHTON PE28 3AY**

We heard representations from the following persons:

- ❖ The Applicant's representative.
- ❖ Environmental Health Officer, Huntingdonshire District Council
- ❖ Three interested parties.

We found the following facts:

- ❖ The Designated Premises Supervisor has been the same individual since September 2010.
- ❖ Only licensed activities prior to this application was for the sale of alcohol.
- ❖ Various events have taken place in the past at the premises for which the premises had given Temporary Event Notices.

In making our decision we considered the following:

- ❖ Statutory provisions referred to in the report
- ❖ Statutory Guidance referred to in the report
- ❖ Huntingdonshire District Council Statement of Licensing Policy
- ❖ The Committee report
- ❖ Advice from the District Council's Legal Representative
- ❖ Submission from the applicant
- ❖ Representations from those listed above

We did not consider the following matters to be relevant:

- ❖ The nature of the business owning the licence.
- ❖ The individual owning that business.

Our reasons for this are:

- ❖ Any conditions imposed on the licence are for the day to day management of that licence. The identity of the licence holder is not a relevant consideration under the Licensing Act.

Our decision is as follows:

That the application be approved subject to alterations determined by the Sub-Committee and with additional conditions.

Our reasons for reaching the decision are as follows:

Given the representation from the Environmental Health Officer, the Sub-Committee were not satisfied that there were any appropriate or proportionate conditions that could be imposed on the licence that would address the concerns relevant to noise as a public nuisance.
