HUNTINGDONSHIRE DISTRICT COUNCIL

Meeting/Date: Grants Panel – 20 March 2024

Executive Portfolio: Executive Councillor for Community and Health
– Councillor B Pitt

Executive Councillor for Climate and Environment

Report by: Community Resilience Manager

Ward(s) affected: All

Executive Summary:

The Community Chest Grant Scheme aims to help small groups and organisations deliver projects which benefit the local community. Over the last two years, the Community Chest has welcomed applications that focused on helping residents during and recovering from the COVID-19 pandemic.

This year, the Community Chest grant scheme welcomes applications from community groups and organisations who would like to support the District Council in achieving the following priorities that have been set out within the Corporate Plan for 2023-28:

- Improving the quality of life and well-being for everyone;
- Keeping people out of crisis;
- Helping people in crisis;
- Lowering carbon emissions.

Community groups and organisations requiring financial aid to deliver projects that address one or more of the challenges are invited to apply from 1 April 2023. Applications must be for projects based in Huntingdonshire and where a significant majority of beneficiaries are Huntingdonshire residents.

Councillors Pitt and Hassall confirmed their wish for any funding left over from 2022/23 to be rolled over into the budget for 2023/24. Similarly, the budget from 2020/21 and 2021/22 has now been carried forward. This brings the total budget for 2023/24 to £44,389.

On 15th September 2022, the Council announced that it would be setting up a Warm Spaces Network. In 2022/23, funding was used to support communities through the cost of living crisis. The Council recognises that Warm Spaces offer both a social shelter, thus where an existing Warm Space can demonstrate to have had a significant positive impact, the Council welcomes applications of up to £500 per year to help keep these facilities and activities open.

Recommendation(s):

- a) To consider applications submitted to the Community Chest 2023/24 funding programme to date and determine whether they meet award criteria.
- b) To decide which applications will be allocated funding.

1. PURPOSE OF THE REPORT

1.1 The purpose of this report is to outline details of the applications received from groups or organisations representing Huntingdonshire communities for project funding from the 2023/24 Community Chest. Over the last two years, the Community Chest has welcomed applications that focused on helping residents during and recovering from the COVID-19 pandemic. This year, the Community Chest Grant Scheme welcomes applications from community groups and organisations who would like to support the District Council in achieving the following priorities that have been set out within the Corporate Plan for 2023-28:

- Improving the quality of life and well-being for everyone
- Keeping people out of crisis
- Helping people in crisis
- Lowering carbon emissions

1.2 Additionally, the Council continues to recognise the importance of its warm hubs and encourages applications from existing warm spaces that can demonstrate a significant positive outcome.

2. WHY IS THIS REPORT NECESSARY?

2.1 In setting the Council budget for 2023/24, £30,000 was set aside for the Community Chest Award Scheme. Including approved carry forward from previous years, the total budget available for the panel to use in 2023/24 is £44,389.

2.5 Although grants have been awarded a total of £16,175.73 worth of grants awarded remain awaiting payment.
