HUNTINGDONSHIRE DISTRICT COUNCIL

LICENSING SUB-COMMITTEE PROCEDURE

1. Introduction

- 1.1 The following proceedings apply to the licensing sub-committees established by the Licensing Committee of the Huntingdonshire District Council acting as the Licensing Authority.

2. Membership

- 2.1 Each licensing sub-committee shall comprise three Members appointed by the Licensing Committee from amongst its membership. A sub-committee shall elect a Chair from amongst its members at each meeting, for the purpose of that hearing or meeting.
- 2.2 The quorum for hearings and meetings of a sub-committee shall be three members.
- 2.3 Members shall endeavour to be present throughout an individual hearing by a sub-committee. If a member of a sub-committee is required to leave a hearing temporarily, the Chair shall adjourn the hearing for the duration of the period whilst that member is unavailable. Any member who is absent from a hearing for any reason whilst that hearing is taking place shall be precluded from commencing or continuing to take part in the matter under debate upon his arrival/return and from voting upon the matter at the conclusion of that item of business.
- 2.4 Where the Sub-Committee undertakes a site visit prior to a hearing, a member shall be precluded from taking part in the hearing if he has not attended that site visit.
- 2.5 A member will not take part in a hearing or meeting at which a matter is being discussed which relates to a premises licence, club premises certificate, temporary events notice or personal licence where either the premises or the person is resident in the ward which he represents.

3. Notice of Hearings

- 3.1 Upon the date of a hearing of a sub-committee being arranged, notice shall be given to the parties to the hearing in accordance with the requirements of the Hearings Regulations. For the purposes of this procedure, a party is defined as an applicant for a licence or certificate, a person who has given a temporary events notice, a responsible authority or a person or business that has submitted relevant representations in respect of an application or applied for a review of a licence or certificate and, in certain additional instances, the Chief Officer of Police.
- 3.2 The notice of the hearing shall be accompanied by a copy of this procedure which sets out
- the right of attendance at a hearing by a party and the right to submit representations etc.

- the consequences if a party does not attend or is not represented at a hearing
- the procedure to be followed at the hearing

3.3 The notice of the hearing will also be accompanied by copies of the documents required by the Hearings Regulations and any particular points upon which the Sub-Committee considers that it will want clarification from a party at the hearing.

3.4 Where a hearing is to be held on more than one day, the hearing will be arranged so that it takes place on consecutive working days.

4. Action Following Receipt of Notice of Hearing

4.1 Upon receipt of a notice of a hearing, a party is required to give notice to the licensing authority whether

- he intends to attend or be represented at the hearing,
- he wishes to request permission for any other person to appear at the hearing, accompanied by the name of the person and a brief description of the point(s) to be made by the person, and
- he considers the hearing to be necessary.

4.2 A party should notify the licensing authority within the following timescales-

- 1 working day of the hearing in the case of a cancellation of an interim authority notice following police objections or a counter notice following police objection to a temporary events notice;
- 2 working days of the hearing in the case of a review of a premises licence following a closure order or the conversion of an existing licence or club premises certificate or an application by the holder of a justices' licence for a personal licence; or
- 5 working days of the hearing in all other cases.

4.3 Notice may be given to licensing authority by electronic means to the address democratic.services@huntingdonshire.gov.uk

4.4 A sub-committee may dispense with the holding of a hearing if all of the parties have given notice that they consider a hearing to be unnecessary. Where the parties have agreed that a hearing is unnecessary in such circumstances, the Council shall give notice to the parties that the hearing has been dispensed with.

4.5 Where a hearing has been dispensed with, the matter which was to have been the subject of the hearing shall be determined at a meeting of the Sub- Committee.

5. Withdrawal of Representations

5.1 A party may give notice to the licensing authority no later than 24 hours before the commencement of the hearing that he wishes to withdraw his representations or he may do so orally at the hearing.

6. Extension of Time

- 6.1 The Sub-Committee may extend any of the time limits specified in this procedure where it considers it necessary to do so in the public interest and shall give notice of the extension of time and the reason for it to the parties to the hearing.
- 6.2 The Sub-Committee may adjourn the hearing or arrange for it to be held on specified additional days, where it considers this to be necessary to consider any representations made by a party. The parties to the hearing will be notified of the adjournment or rearrangement.
- 6.3 In considering any extension of time or adjournment, the Sub-Committee will not exercise its powers so that an application is deemed as granted or rejected in accordance with the transitional arrangements specified in the Act.

7. The Hearing

- 7.1 The Sub-Committee may exclude the public from all or part of a hearing where it considers that the public interest in so doing outweighs the public interest in the hearing or that part of the hearing taking place in public. The Sub-Committee will normally resolve to exclude the public from that part of the hearing during which the Sub-Committee determines the matter which is the subject of the hearing.
- 7.2 Subject to the above, a party may attend the hearing and may be assisted or represented by any person whether or not that person is legally qualified
- 7.3 At the commencement of the hearing, the Chair shall introduce the members of the Sub-Committee and any officers in attendance to support the Sub-Committee and shall ask the parties and any persons accompanying them to state their names and addresses or who they represent. The Chair shall explain to the parties present that the hearing is subject to this procedure, copies of which will have been distributed to the parties with the notice of the hearing, and shall enquire of the persons present whether there are any questions of clarity or explanation about its contents.
- 7.4 The Sub-Committee shall consider any request from another person to appear at the hearing of which notice has been given but such permission shall not be unreasonably withheld.

Procedure in all cases other than an application for a review of a premises licence or a club premises certificate or convictions coming to light after the grant or renewal of a personal licence

- 7.5 The Licensing Officer will present the application. The Chair will then invite the applicant or his representative to address the Sub-Committee on his application, to respond to any point(s) upon which notice has been given that clarification is required by the licensing authority and to call any person(s) to whom permission has been granted to appear in support of his application. The applicant will be allowed a maximum period of time of twenty minutes in which to address the Sub-Committee and call persons on his behalf.
- 7.6 The applicant or his representative or any person called on his behalf may then be asked any questions upon their presentation by any member of the Sub-Committee or by any of the other parties present at the hearing or their representatives.

- 7.7 The Chair will then invite each of the parties at the hearing or their representative sequentially to address the Sub-Committee and call any person(s) to whom permission has been granted to appear. Each party will be allowed a maximum period of time of twenty minutes in which to address the Sub-Committee and call persons on his behalf. The sequence in which each of the parties will be invited to address the Sub-Committee will be at the discretion of the Chairman but will normally be in the order of the Chief Officer of Police, the Fire Authority, the health and safety at work enforcing authority, the local planning authority, the local environmental health authority, the local weights and measures authority, the authority responsible for the protection of children from harm, a navigation or other authority responsible for waterways and any other party that has submitted representations in respect of the application, certificate, notice or other matter appearing before the Sub-Committee.
- 7.8 The party or his representative or any of his witnesses may be asked any questions upon their presentation by any member of the Sub-Committee or by the applicant or his representative or any of the other parties present at the hearing or their representatives.
- 7.9 Where relevant written representations have been received and the party submitting those representations has given notice of his intention not to attend the hearing, the parties present will be invited by the Chair to indicate whether they wish to comment on the representations submitted. The Sub-Committee may take into account documentary or other evidence submitted by a party either in support of their application, notice or representations either before the hearing or, with the consent of all of the other parties present, at the hearing.
- 7.10 Where appropriate, the Chair shall remind the parties that their representations should be relevant to the licensing objectives of the prevention of crime and disorder, public safety, the prevention of public nuisance and the protection of children from harm. The Sub-Committee shall disregard any information given by a party or person permitted to appear which is not relevant to their application, notice or representations or to the licensing objectives. If, in his opinion, the Chairman feels that the representations being made are not relevant, he may, after first reminding the party of the need for relevance, advise the party that he will no longer be heard. Where in the opinion of the Chair, a party is being repetitious, vexatious or slanderous in his remarks, the Chair may first warn the party and may then advise the party that he will no longer be heard. The ruling of the Chair shall be final in such circumstances.
- 7.11 The Chairman may require any person who in his opinion is behaving in a disruptive manner at a hearing to leave the hearing and may refuse to permit that person to return or to return only upon complying with such conditions as the Chair may specify. However any such person may submit any evidence in writing that they proposed to give orally, provided that they do so before the end of the hearing.
- 7.12 After each party has addressed the Sub-Committee and after comments have been invited on written representations, the applicant or his representative will be invited by the Chair to sum up his application for a time not exceeding five minutes but without introducing any new evidence to the proceedings.

Procedure in cases relating to an application for a review of a premises licence or a club premises certificate or convictions coming to light after the grant or renewal of a personal licence

- 7.13 In the case of such hearings, the above procedure shall be followed with the exception that the applicant for a review of a premises licence or a club premises certificate or the chief

officer of police in the case of an objection notice where convictions have come light after the grant or renewal of a personal licence will be invited to address the Sub-Committee first and to call any person(s) to whom permission has been granted to appear.

- 7.14 After any questions have been dealt with the holder of the licence or certificate will be invited to address the Sub-Committee and to call any person(s) to whom permission has been granted to appear.
- 7.15 There shall be no right of reply for the applicant for a review of the licence or certificate or for the Chief Officer of Police.

8. Determination of Applications

- 8.1 At the conclusion of the hearing, the Sub-Committee will determine the application in accordance with the timescales specified in the Hearings Regulations but, in any event, will endeavour to do so as soon as practicable after the hearing has concluded.
- 8.2 Where a hearing has been dispensed with in accordance with paragraph 4.2 above, the application will be determined by the Sub-Committee within 10 working days of notice having been given to the parties that the hearing has been dispensed with.
- 8.3 The Licensing Authority will notify the applicant and parties of its decision forthwith upon the making of the decision.
- 8.4 A record shall be taken of the hearing by the licensing authority which shall be retained for six years after the date of the determination of the hearing or the disposal of an appeal against the determination.

9. Meetings of the Sub-Committee

- 9.1 Any meetings of the Sub-Committee, other than hearings described above, shall be subject to the proceedings adopted by the Licensing Committee for the conduct of its own business except where otherwise stated above.

Objection to a variation of a Premises Licence at 6 New Street, St Neots

[REDACTED]
Wed 13/09/2023 21:21

To:Licensing (HDC) <Licensing@huntingdonshire.gov.uk>

Dear Licensing,

I apologise that I have not been able to find the correct number for this application on your system. However please accept this email as my objection to the granting of the variation of a Premises Licence at 6 New Street, St Neots.

Please see my objection below.

Kind regards,

[REDACTED]

Dear Licensing Section,

I would like to register my strong objection to the application for a variation of a Premises Licence which has been submitted by No6 Bistro & Cocktail Bar, 6 New Street, St Neots, PE19 1AE.

Until my retirement on 16th June this year I was the Curator of St Neots Museum and I am now a Trustee of the Museum and Chair of the Friends of the Museum. Since the No6 Bistro & Cocktail Bar, New Street opened some months ago there has been a steady deterioration in the area around No6, which directly adjoins St Neots Museum at 8, New Street, PE19 1AE. This has been of great concern to the Museum Trustees and staff who have had to struggle with: litter, illegal parking, anti-social behaviour, vomit, broken glass, public urination, drunken behaviour and fights breaking out at night which compromise the security of our building.

Anti-social behaviour and public nuisance

This behaviour is a regular occurrence with the premises currently open until late on Fridays and Saturdays. Allowing No6 Bistro & Cocktail Bar to open until 3.00am on these two nights will allow further drunkenness to develop which will then exacerbate all the other problems and nuisances currently being caused by their customers.

Setting a precedent

Further to the problems experienced by St Neots Museum and the other adjacent premises, this application will set a precedent and encourage other licenced premises in St Neots Town centre to apply to vary their own Premises Licence and extend their weekend opening hours until 3.00am. In particular The Pig and Falcon and the Weeping Ash public houses are only yards away in New Street. Although no major ongoing problems for the museum have resulted from these other premises remaining open until late at weekends.

Harm and loss of amenity to local residents

Although a street in the heart of St Neots town centre, New Street is also a residential street with a wide mix of residents, some well into retirement. Granting a variation of the current Premises Licence to No6 Bistro & Cocktail Bar, in New Street will have a seriously detrimental effect on the amenity, health and wellbeing of the residents of New Street if the request was to be granted.

Illegal parking

An extension of the opening hours of No6 Bistro & Cocktail Bar will also result in more frequent deliveries of alcohol and food to the premises and this result in (on a daily basis) illegal parking on New Street, on the double yellow lines on the road, on the public pavement obstructing access for pedestrians and on the private frontage of St Neots Museum. No6 Bistro & Cocktail Bar in New

Street is also close to the New Street / High Street junction and the illegal parking causes a hazard close to the traffic lights at the junction.

The Chairman of Trustees has highlighted to all Museum Trustees his efforts to engage with No6 Bistro & Cocktail Bar to ask them to prevent the above problems, but so far this has not led to any noticeable change in the situation.

I very much hope that Councillors and officers will take the above points into account when considering this application.

RECEIVED

I am writing to you regarding the extended opening hours that No 6 Bistro are applying for.

I would like to object this application on the grounds that I believe this will be adding to problems I as the neighbour already receive I have been trading at the above address for more than 33 years and since No 6 Bistro opened I have had problems with

- ① rubbish bins overflowing, + Bags of rubbish inc food waste + bottles being left in our access driveway.

2

Broken bottles + glasses that I have had to clear up after a weekend also cigarette ends everywhere

3

I have CCTV of Customers coming out of No 6 Side door + urinating outside my Shop + up against bins.

4

I believe extended hours will only add to these

our driveway is blocked with bins + metal barriers on Fri + Sat nights and used as a overspill to what seems to have turned into a nightclub

In recent weeks there has been a fight at the entrance to the driveway which the Police + Ambulance were needed.

I have tried Speaking to owners
but to no avail they seem to
Put Profit before anything else,

I have tried Contacting the
Licensing Dept by Phone but could
not get through

If anyone From the Council wishes
to view cctv Footage + Photos
of my evidence I will gladly
Show them

Thankyou.

To whom it may concern:-

(Notice of Application Licence)

I am writing in regards to proposed application of Nob Bistro & Cocktail bar of 6 New Street Cambridgeshire PE19 1AE.

We share an alley way with them at the back where our fire exits are. They initially opened up as a bistro and are now running it as a night club over the weekends. They are using our bins to block off the alley and using it as an overflow for smoking for their venue.

In addition to this it is blocking fire escapes and people are using the alley to urinate, be sick, ~~and use the alley as a storage area~~. There is CCTV of people filling the alley. I also understand in their short time of opening a fight broke out and people were seriously hurt.

By extending the hours for them to sell alcohol it would mean more trouble for local residents. Some of the bullet points below highlight the reasons for objecting.

- Fire Hazard - blocking the alley & exits & misusing our bins to block the alley up.

- No where else in town operates this late and when waterspoons closes after more people will filter here. The venue is small so crowd control should be in place.

- Rubbish is left in the alleyway blocking other businesses & not cleared.
- I have had vandalism happen in the past with people who have been intoxicated. I feel this would fuel this & lead to further issues
- Noise issues with local residents.
- Nobody has spoken to local business about the change and we are all frustrated

Thank you

Dear Sir,

RE; variation of premises licence No 6 New Street St Neots PE191AE

We write with reference to the above variation of premises licence.

We wish to draw to your attention to;

- Already increased excessive noise and disturbance into the early hours since premises opened, recently including verbal and physical abuse, witnessed by, and to, members of the public.
- Increased volume of people gathering outside causing a danger to traffic and causing people trying to pass to step off the pavement into the road.
- One of our members friends also apparently was seriously injured outside the premises. We understand that this is subject to a police investigation.

Yours faithfully,

No. 6 Restaurant - licence extension (Application Number 271647)

Wed 13/09/2023 19:22

To:Licensing (HDC) <Licensing@huntingdonshire.gov.uk>

To HDC Licensing Board

It has been drawn to our attention that our neighbours - No. 6 Restaurant - are seeking a licence extension to provide music and sell alcohol up to 3am on Fridays and Saturdays - the current licence is to 1am on Fridays and Saturdays and in terms of music this is currently meant to be provided as background music for diners.

We are requesting that the licensing committee reject the licence extension based on the following points that the St Neots Museum Board Of Trustees collectively wish to highlight:

- 1) The size of the premises ,both floors ,is small by any standard and it is not a suitable premises for a nightclub.
- 2) The footpath in front is pretty narrow and deliveries of musical equipment via motor vehicles and staff parking will cause traffic congestion in New Street with double yellow lines currently in existence outside the premises. The museum has already experienced No. 6 staff and their suppliers parking their vehicles illegally on the museums forecourt. Despite highlighting this issue to the owner of No. 6 Restaurant - vehicles are still parking on the forecourt and causing disruption to evening events being held at the museum. Parking on our forecourt has also caused the blocking of the main door fire exit for evening events and access by the emergency services in the event of a fire or break in.
- 3) The museum's main store is at the end of the alley adjacent to No6 and we are aware of people accessing the flat roof of the store and being drunk and disorderly in the alleyway. This presents a fire, theft and damage risk to the museum collection and to staff attending security alarms call outs. We have had to install an alarm on the store recently because of concerns of potential damage to our collection. The small space in the alleyway and volume of people sometimes in that space is also a serious safety risk to No 6's customers.
- 4) We are already experiencing undesirable behaviour from customers currently utilising No. 6 restaurant who late at night spill over onto the museums premises. This has required museum volunteers to clean up vomit and disinfect the forecourt and we have evidence of public urination occurring within the museums boundaries.
- 5) The museum is a cultural hub for St Neots and the number one tourist attraction for the town attracting over 10,000 visitors each year. Whilst we will try to ensure the museums premises continue to present a positive reflection of St Neots - we are having to rely on the goodwill of our volunteers and staff to carry out the necessary cleaning to ensure the visitors to the museum are not aware of the unfortunate behaviour of some members of the public.

If you require further clarification regarding the points raised then please contact me. Can you confirm receipt of our reasons for rejection of the licence application and that our input will be included in the evaluation you make in granting or declining the changes in the licence for No. 6.

I would also welcome your response/ decision to the proposed licence extension and what, if any, follow up actions are to be taken.

Kind regards,

| | <p>I've observed a license variation allowing music to extend by an hour at the charming new cocktail bar located at 6 New Street No. 6. This establishment has maintained a peaceful and trouble-free atmosphere, and I wholeheartedly support this change, as it has greatly enriched a town that previously lacked vibrant nightlife.</p> | 14/09/2023 |

| | <p>I would like to give some positive feedback regarding No 6 Cocktail Bar in St Neots. With the pub trade slowly on a downward spiral with pubs and bars closing more and more, I feel the positive energy that this bar brings to the town would benefit from a later licence. With other places in the town having later licences it will give customers more choice and more venues to enjoy on a Friday and Saturday night. I hope this helps in making your decision as it will be a great benefit to this town.</p> | 14/09/2023 |
| | <p>Hi, I am writing to you in support of No.6 cocktail bar having their hours extended. As a 40 (something) year old I believe No.6 to be a classy establishment for st Neots and would welcome the extra time that could be spent in there. The staff are always so lovely and friendly and I know that everyone to enters there has a warm welcome - it would be great to have it open for longer.</p> | 14/09/2023 |
| | <p>No.6 is one of a kind in St Neots. Just what the town has been missing with Brooke and barter closed. The front door always looks amazing and makes the whole of New Street vibrant. I do believe with their license extended it will eliminate the need to go into Cambridge or London which in turns pour into our lovely town.</p> | 14/09/2023 |

| | No6 also does the best food and lovely affordable cocktails. It will be amazing to have it open a bit later to flourish the night life. | |
| | No 6 Cocktail Bar offers a delightful social experience in the region. Supporting this establishment will benefit local business owners and employees economically while enhancing the area's appeal. We believe that our community supports these developments, and we appreciate the importance you place on these projects as Huntingshire Council. Therefore, we thank you for your support of these projects and request that progress be continued. | 14/09/2023 |
| | I am writing in support of No.6 Cocktail bar in St Neots extending its licensing to cover an extra hour on Friday and Saturday evening. No.6 is an excellent addition to the town, it stands above other venues in the service and entertainment it offers and I strongly feel it has filled a void in the town since it opened. The extended licensing would see more customers and revenue and these are positive results of No.6 Thank you for your time and consideration | 14/09/2023 |
| | No.6 Cocktail Bar has been a great addition to St Neots, most notably as a venue with good drinks, music and dancing. With the closure of many of the large pubs near the Market Square, St Neots has already lost venues where young people could get together, have a drink and dance. Being open an extra hour would bring vital trade to this bar, helping cement it as an establishment in our | 14/09/2023 |

At a time when St Neots shops sit empty, it would be fantastic to see the local authority support a business that has filled a unit and brought something new to the town. I hope you will consider and approve their application so they can thrive and remain open for local people. | |
| | I heard that No.6 Cocktail Bar & Bistro in St Neots New street is looking to extend their license to an extra hour on Fridays & Saturdays. I am writing in support of this as I think it'll be good for St Neots to allow the people of st neots to enjoy some light late night entertainment. We don't have much for this kind of business anymore especially after Elsie May is closed. I'm in favour of having more variety of tasteful places in town to run cocktail nights. It will give people a bit of more choices which is very welcome. Many thanks for your time and considering my opinions. | 14/09/2023 |

| | <p>My family and I have been customers of No6 Cocktail Bar. It's a great place to unwind after a busy day or week. We love the food and the live music. It's very relaxing and the staff are always so accommodating and pleasant. They add a new flavour to the rather declining st neots high street with one business closing every week. I will continue to support this lovely local business and I wish them success in all their future plans for the place.</p> | 14/09/2023 |
| | <p>I was pleased to read that No6 Bistro and Cocktail Bar were looking to extend their hours on Friday and Saturday nights to extend their already popular and successful nights. I've been to the bar several times on both a Friday and a Saturday night and it seems somewhat of a disappointment when everything stops at 1am. | | <p>seems like it needs some extra time to satisfy their customers and personally it seems they do this in a safe and controlled environment. I believe St Neots needs this kind of classy establishment open later to cater for those who wish to stay out later for a cocktail or two, but don't want to go to the sort of establishment you may get punched in the face. No6 Cocktail Bar definitely gets my support on this license extension application.</p> | |
