* This published Decision is an amendment from that published on 10 March 2025. Due to a successful application and subsequent award of funding under the CPCA Climate Opportunity Fund, Buckden Recreation Ground and Village Hall Trust are no longer eligible to claim a further grant from the CPCA under its Net Zero Villages Grant Scheme. The District Council Grants Panel have therefore made an award, under the Net Zero Villages Grant Scheme of £38,965 to Ramsey Pavilion Hub, as detailed in the amended list of successful applicants above.
