Annex 1 - Part 3 – Operating Schedule

Please give a general description of the premises

Holmewood Hall is a stately home which has been acquired by Country House Weddings Limited for the primary purpose of providing a venue for weddings in an elegant setting and in luxurious premises. It is envisaged that approximately 200 weddings will be conducted in the premises annually, that being based on the Applicant's long experience of conducting a business of this nature. The Applicant already has similar premises at Gosfield Hall, St Audries, Clearwell Castle and Leez Priory.

In addition to weddings there will be a much smaller number of events on a themed basis - these events would range from events to commemorate significant dates - perhaps relating to the Second World War which would be particularly appropriate to premises of this nature. There may also be murder mystery evenings. All of these events will be pre-arranged and no entry will be given to the public unless individuals are either invited or have a ticket purchased prior to the date of the event.

The Applicant seeks a licence in order to supply alcohol to those attending events at the premises. Since the vast majority of events will be weddings and wedding receptions, the Applicant seeks a licence to permit the supply of alcohol and provision of late night refreshment up to 01:00 hours. Further that the provision of live music and recorded music should be licensed up to the same time, as should the provision for dancing.

In view of the fact that a murder mystery evening could include the use of actors, authority is sought for plays up to 01:00 hours. The only exception to the hours requested is that all of the licensable activities are extended to 02:00 hours each New Year's Eve.

Whilst the times for public entertainment appear unusual on paper, times between 08:00 hours and 23:00 hours no longer require authorisation. The majority of entertainment will take place during these hours.

 15. **Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships.**
 A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:
 - does not have the right to live and work in the UK; or
 - is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
