7.	Review of Combined Authority Board Agenda	<p>The Committee reviewed the Board agenda for 29 January 2020.</p> <p>The Committee agreed that the following questions would be raised at the meeting of the Combined Authority</p> <ul style="list-style-type: none"> • Page 130 Business Plan Report Question to the Board - A note is needed in the report stating when a funding decision is expected to be made by government to enable members to keep a track of what is going on and when to expect the decisions • £100k Homes – Whom these would attract other than those who were already able to afford existing low cost options? What would attract individuals to the £100k Home Scheme as opposed to other established types of affordable housing? • Page 548 current CAM network map. The feedback on the Local Transport Plan includes a recognition of the demand for a stop on the

		<p>proposed CAM network in East Cambs. How will that issue be developed and where would the stop be located?</p> <ul style="list-style-type: none">• Motion – A lengthy discussion took place as this Motion and it was noted that, if passed, it would prevent the Committee from meeting in Cambridge.• Committee notes that the proposed effects of the motion would affect where it could meet. Committee is deeply disappointed that it does not mention public transport and may deny the committee the opportunity to meet at the location with the best public transport links for the actual number of people to attend. Committee would ask what evidence has been considered about the impact of holding meetings elsewhere on air quality and about public transport.• The Committee were also concerned about the democratic deficit in not holding meetings at the offices of two of its constituent councils and that the proposal is not in accordance with the spirit of the Constitution. In those circumstances, how can the proposal be justified.• Consultation – Questions to the CA Board – Why were the papers on the CAM Metro consultation not provided to the CAM Task and Finish Group as promised?• What progress has been made towards funding options for the CAM?• Given the responses from the public about the importance of climate change in the context of the Local Transport Plan, will the Combined Authority outline the changes of approach that it has made in the LTP as a result of the feedback?
