Liaison with other organisations	Eight on-line meetings of the Cambridgeshire and Peterborough Food and Safety Group		

* This figure includes statutory notifications about working with asbestos, Adverse Insurance Reports (AIR) about unsafe work equipment and requests for advice and information. The diversity of work illustrates the importance of maintaining resources in order that effective investigations can be carried out.

**The selection of accidents for investigation is founded upon the risk-based criteria in Local Authority Circular (LAC) 22/13.

*** This figure is driven by the number of relevant complaints received by the service.

**** Matters of Evident Concern are significant health and safety problems that officers have noted during non-health and safety activities – very few food inspections carried out therefore matters of evident concern not picked up if applicable.
