

HUNTINGDONSHIRE DISTRICT COUNCIL

Title/Subject Matter: Corporate Plan Refresh 2021/22

Meeting/Date: Cabinet, 15 July 2021
Council, 21 July 2021

Executive Portfolio: Councillor Ryan Fuller, Executive Leader

Report by: Business Intelligence and Performance Manager

Ward(s) affected: All Wards

Executive Summary:

The purpose of this report is to update Cabinet on the refresh of the Corporate Plan for 2021/22 and present the proposed actions and performance indicators to Council for approval.

The Council's Corporate Plan was adopted in 2018, comprising of a four-year plan outlining the Vision, Strategic Priorities and Objectives for Huntingdonshire District Council. The Plan sets out what the Council aims to achieve in addition to core statutory services.

A 'light touch' review of the Plan has taken place which has allowed us to identify whether the 2020/21 key actions and performance indicators are still fit for purpose (i.e. which have been achieved and can be removed) and that those selected reflect the Council's current direction. The development of our Covid Recovery Programme and more activities being run as projects means several of the actions previously listed, and many new activities, are now covered by separate reporting mechanisms. They are therefore not included in the Corporate Plan to avoid duplication and any confusion which could arise from different reporting formats and timescales.

Recommendation:

The Cabinet is

RECOMMENDED

to endorse the proposed list of key actions and performance indicators at Appendix A for inclusion in the Corporate Plan for 2021/22.

The Council is

RECOMMENDED

to approve the revised key actions and performance indicators for inclusion in the Corporate Plan for 2021/22.

1. PURPOSE OF THE REPORT

- 1.1 This report seeks endorsement of the proposed key actions and performance indicators (PIs) for the Corporate Plan for 2021/22.

2. WHY IS THIS REPORT NECESSARY/BACKGROUND

- 2.1 The Council needs a clear vision with strategic priorities, setting out its objectives and how these will be achieved. The Council's Corporate Plan was reviewed in 2018 and comprises of a four-year plan outlining the Vision, Strategic Priorities and Objectives for Huntingdonshire District Council.
- 2.2 The purpose of the refresh is not about creating a new Corporate Plan but providing an opportunity to reflect on any changes needed to the key actions and PIs for 2021/22. This review provided an opportunity to consider whether any actions or measures have been achieved and should therefore be removed and whether any further changes to actions and PIs were needed. It was also an opportunity to consider whether the actions and measures continue to be the right ones. The review took account of whether any changes due to new challenges or ambitions were necessary.
- 2.3 The impacts of Covid-19 on our services and residents are now being addressed through our Covid Recovery Programme. As such, most of the 'recovery actions' previously included in the Corporate Plan have been removed but will be managed and reported on through that Programme. Similarly, more planned actions are now being run as projects and these will also be reported on separately as part of our programme of corporate projects.

3. OPTIONS CONSIDERED/ANALYSIS

- 3.1 Quarterly performance reporting throughout the year has highlighted areas where a small number of actions and PIs could be improved. We have taken into account feedback throughout the year from Heads of Service, Officers who provide data and both Overview & Scrutiny and Cabinet Members.
- 3.2 All actions and PIs supporting the three Strategic Priorities (People, Place and Providing Value for Money Services) were examined; proposed changes considered included removal of, or amendments to, actions or PIs as well as the addition of some new actions or PIs. The list of proposed key actions and PIs for 2021/22 is attached at Appendix A.
- 3.3 This review has followed the development of Service Plans which allows us to more closely align the actions or PIs proposed for inclusion in the Corporate Plan with those being used to manage services. Where the same actions and PIs have been used, services will be clearly focussed on delivering the same outcomes and measuring these in the same way. The Corporate Plan provides the highest level in the "golden thread" running from the Plan through Service Plans to individual objectives set in Staff Appraisals.
- 3.4 Services will continue to monitor progress on their Service Plan aims and Members will continue to receive reports on progress made against key activities and PIs in the Corporate Plan on a quarterly basis. Members will continue to receive reports on the progress of corporate projects each quarter and there will be separate reporting on Covid Recovery Programme actions.
- 3.5 Subject to any amendments, the proposed list of key actions and PIs at Appendix A will be submitted for approval by Council on 21 July 2021.

4. COMMENTS OF OVERVIEW & SCRUTINY

- 4.1 The Overview and Scrutiny (Performance & Growth) Panel is due to receive this report on the Corporate Plan Refresh at its meeting on 7 July 2021. Comments from the Panel will be submitted to Cabinet with this report.
