Dear Sir / Madam

I live at [Redacted] and as both a [Redacted] hereby submit my representation to Huntingdon Licensing. I fully support this application and feel that this establishment has done wonders for [Redacted] (along with Shumë next door ) since it opened and has found a loyal following of local clientèle.

These two independents have together breathed a fresh vitality and life into the Walk and should be supported. I feel that the licence would complement the current culinary offerings of the deli allowing a continental café vibe at lunch time and in the early afternoon.

kind regards

What an asset to St. Neots, Roberto and his lovely wife [Redacted] have a excellent deli and serve lovely pizzas and gelato, an alcohol license could only improve the experience to all.
