Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

The premises is a family friendly national trust site that offers visitors beautiful walks and camping facilities, as well as a tearoom. The premises is now looking to apply for a premises licence in order to provide family friendly events for the local villagers to attend. (Either something like a cinema evening or theatre production). As well as provide further variety of drinks being sold in the shop and tearoom.

Additionally, in the summer the outside area would be utilised to provide an ice cream bike and a food truck that serves simple things like Pimm's, Bottled Ale and canned cocktails. By licensing the outdoor area this provides more flexibility.

We have considered the effects of the application, taken into consideration the councils licensing policy, and consulted with the authorities prior to submission. We do not feel that our application would have any adverse effect on the licensing objectives and the application will be implementing conditions to ensure the licensing objectives are upheld.

(The details provided above are for informational purposes only and are not intended to be added to the premises licence. Also, this application may be subject to changes during the consultation period following agreement with the authorities.)

Conditions to be added:

- d) Actions to be taken in an emergency / Reporting an incident to Emergency services
- e) Drugs Policy

- g) Spiking
- h) VAWG – (Violence Against Women & Girls)

3. The Designated Premises Supervisor shall ensure that a written notice of authority is kept at the premises for all staff who sell alcohol ('DPS Authorisation List' or similar). The notice shall be made available for inspection upon request of the police or an authorised officer of the licensing authority and all staff selling alcohol must be in possession of formal identification to verify their identity against the notice.

4. Prominent, clear notices shall be displayed at all exits and in outdoor areas requesting customers and staff to respect the needs of local residents and leave the premises and

the area quietly.

5. The 'Challenge 25' initiative to prevent sales of alcohol to persons under 18 years of age will be implemented at the premises & signage will be prominently placed within the premises advertising the fact that the premises operate the 'Challenge 25' initiative.

6. When there is regulated entertainment (i.e., the film night) the designated premises supervisor or nominated person shall conduct regular checks to ensure that no nuisance is caused by noise emanating from the premises.

7. An incident log shall be kept at the premises for at least 12 months, and made available on request to an authorised officer of the licensing authority or the Watford Police Licensing Unit, which will record the following:

14. This is the address which we shall use to correspond with you about this application.
15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be issued to an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of two ways:

- 1) by providing with this application, copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance.
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service.

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not

subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.
