Summary of Responsible Authority responses

<b>Tracey Ibbett</b> <b>Environmental Health Protection Officer</b> Huntingdonshire District Council	<p>Good morning</p> <p>I have no objections with regards to the above licence application.</p> <p>Kind regards</p>
<b>PC 446 Clare Metcalfe</b> Operational Planning and Licensing  Partnerships and Operational Support <u>Cambridgeshire Constabulary</u>	<p>Good morning</p> <p>Following on from our conversation on Friday, I asked the neighbourhood Sgt if he had any concerns relating to the application or the local area regarding ASB or the dispersal orders which was mentioned by a local resident in Sarah's email. I have also searched on our crime and incident reporting system, I can't find any recorded incidents that could be attributed to the National Trust business operation at the site. The only alcohol related ASB relates to welfare concerns for an intoxicated male who was walking through the site, which was called in by National Trust staff.</p> <p>As you can see from the Sgt's comments below, he has no concerns about the current site or application.</p> <p>Regards.</p> <p>Clare</p> <p><b>From:</b> [REDACTED] <b>Sent:</b> 22 May 2023 13:40 <b>To:</b> Licensing South &lt;LicensingSouth@cambs.police.uk&gt; <b>Cc:</b> [REDACTED] <b>Subject:</b> RE: Houghton premises licence enquiry - New Premises application - ref 269354</p> <p>No comments, concerns or dispersal orders.</p> <p>Andy</p> <p><b>From:</b> Licensing South &lt;LicensingSouth@cambs.police.uk&gt; <b>Sent:</b> 19 May 2023 14:49</p>
