	<p>I've observed a license variation allowing music to extend by an hour at the charming new cocktail bar located at 6 New Street No. 6. This establishment has maintained a peaceful and trouble-free atmosphere, and I wholeheartedly support this change, as it has greatly enriched a town that previously lacked vibrant nightlife.</p>	14/09/2023

This bar has become an integral part of St. Neots, providing both a social hub and contributing to the local economy. 	<p>I would like to give some positive feedback regarding No 6 Cocktail Bar in St Neots. With the pub trade slowly on a downward spiral with pubs and bars closing more and more, I feel the positive energy that this bar brings to the town would benefit from a later licence. With other places in the town having later licences it will give customers more choice and more venues to enjoy on a Friday and Saturday night. I hope this helps in making your decision as it will be a great benefit to this town.</p>	14/09/2023
	<p>Hi, I am writing to you in support of No.6 cocktail bar having their hours extended. As a 40 (something) year old I believe No.6 to be a classy establishment for st Neots and would welcome the extra time that could be spent in there. The staff are always so lovely and friendly and I know that everyone to enters there has a warm welcome - it would be great to have it open for longer.</p>	14/09/2023
	<p>No.6 is one of a kind in St Neots. Just what the town has been missing with Brooke and barter closed. The front door always looks amazing and makes the whole of New Street vibrant. I do believe with their license extended it will eliminate the need to go into Cambridge or London which in turns pour into our lovely town.</p>	14/09/2023

	No6 also does the best food and lovely affordable cocktails. It will be amazing to have it open a bit later to flourish the night life.	
	No 6 Cocktail Bar offers a delightful social experience in the region. Supporting this establishment will benefit local business owners and employees economically while enhancing the area's appeal. We believe that our community supports these developments, and we appreciate the importance you place on these projects as Huntingshire Council. Therefore, we thank you for your support of these projects and request that progress be continued.	14/09/2023
	I am writing in support of No.6 Cocktail bar in St Neots extending its licensing to cover an extra hour on Friday and Saturday evening. No.6 is an excellent addition to the town, it stands above other venues in the service and entertainment it offers and I strongly feel it has filled a void in the town since it opened. The extended licensing would see more customers and revenue and these are positive results of No.6 Thank you for your time and consideration	14/09/2023
	No.6 Cocktail Bar has been a great addition to St Neots, most notably as a venue with good drinks, music and dancing. With the closure of many of the large pubs near the Market Square, St Neots has already lost venues where young people could get together, have a drink and dance. Being open an extra hour would bring vital trade to this bar, helping cement it as an establishment in our	14/09/2023

At a time when St Neots shops sit empty, it would be fantastic to see the local authority support a business that has filled a unit and brought something new to the town. I hope you will consider and approve their application so they can thrive and remain open for local people.</p>	
	<p>I heard that No.6 Cocktail Bar &amp; Bistro in St Neots New street is looking to extend their license to an extra hour on Fridays &amp; Saturdays. I am writing in support of this as I think it'll be good for St Neots to allow the people of st neots to enjoy some light late night entertainment. We don't have much for this kind of business anymore especially after Elsie May is closed. I'm in favour of having more variety of tasteful places in town to run cocktail nights. It will give people a bit of more choices which is very welcome. Many thanks for your time and considering my opinions.</p>	14/09/2023
	<p>No 6 is just what st neots needs A cocktail bar with live music and great food Somewhere to actually go of an evening Its time to support locals business</p>	14/09/2023
	<p>I hope this email finds you well.</p> <p>No6 is a positive addition to the town. The beautiful entrance, friendly staff ,delicious food and cocktails and as a whole, good ambience. We</p>	14/09/2023

	<p>have been enjoying Dj nights at the weekend and they are very safely managed by friendly staff at the door. Best place for over 25s to go out for a dance, have a good night in St Neots as opposed to having to travel out into Cambridge, Milton Keynes or London. It will be lovely to have it open a bit later at the weekend.</p>	
	<p>Please can you extend the hours of No6 cocktail bar. It is a fantastic venue with great social events bringing the community together. Thankyou for your consideration</p>	14/09/2023
	<p>My family and I have been customers of No6 Cocktail Bar. It's a great place to unwind after a busy day or week. We love the food and the live music. It's very relaxing and the staff are always so accommodating and pleasant. They add a new flavour to the rather declining st neots high street with one business closing every week. I will continue to support this lovely local business and I wish them success in all their future plans for the place.</p>	14/09/2023
	<p>I was pleased to read that No6 Bistro and Cocktail Bar were looking to extend their hours on Friday and Saturday nights to extend their already popular and successful nights. I've been to the bar several times on both a Friday and a Saturday night and it seems somewhat of a disappointment when everything stops at 1am. The holiday-style atmosphere they produce</p>	14/09/2023

	<p>seems like it needs some extra time to satisfy their customers and personally it seems they do this in a safe and controlled environment. I believe St Neots needs this kind of classy establishment open later to cater for those who wish to stay out later for a cocktail or two, but don't want to go to the sort of establishment you may get punched in the face. No6 Cocktail Bar definitely gets my support on this license extension application.</p>
