The premises used to be exclusively a cricket club pavilion, holding a club premises license (HDC/CPC00065). However, it has now undergone a transformation, becoming a community-oriented pavilion managed by the new charitable organization, Ramsey Pavilion Hub. The pavilion has a diverse range of purposes to serve the community whilst also continuing to serve as the home base for the Ramsey Cricket Club.

Within the pavilion's interior, there is a versatile central space that can be easily subdivided into up to three separate areas, thanks to the flexibility provided by movable walls. Furthermore, the premises includes a fully operational kitchen and a fully functional bar, complete with an adjoining cellar room. This setup positions the pavilion as a central and adaptable

hub for a wide range of community activities, accommodating individuals of various age groups. Simultaneously, it serves as a venue for hosting local and county cricket matches and practice sessions.

The pavilion rooms are available for both private and community bookings, accommodating a wide range of gatherings, meetings, and events within the community.

Moreover, there is an outdoor seating area featuring multiple benches, which is made available for community members to utilize as an additional amenity.

The consideration of using amplification for the music will be at the discretion of the event's requirements and the hirer's responsibility to organise. As, at this moment, we do not possess the necessary sound system for amplification for users. However, we will monitor the noise levels to ensure it remain acceptable at all times.

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

To effectively promote all four licensing objectives, the Ramsey Pavilion Hub will uphold a transparent and easily accessible licensing policy and conduct thorough staff training on these objectives. We will consistently enforce responsible alcohol service and security measures, regularly conducting compliance checks to ensure ongoing adherence to licensing objectives. Active monitoring of noise levels, the prevention of public nuisance, and the implementation of clear emergency procedures will prioritize the safety of both staff and visitors. Stringent age verification protocols will be used by our bar staff to safeguard children from harm. Open and proactive communication with law enforcement, the local community, and relevant authorities will further elevate safety and well-being, creating a secure and enjoyable environment for everyone.

b) The prevention of crime and disorder

Any criminal incidents that may occur on the premises will be promptly reported to the local authorities. The establishment is equipped with multiple CCTV cameras, both inside and around the exterior, and the recorded footage is retained for a period of one month to serve potential legal purposes. The establishment is equipped with a network of CCTV cameras, both internally and around the exterior, with recorded footage retained for one month to address possible legal needs. CCTV warning stickers are prominently displayed throughout the premises, providing clear notice of surveillance to the public. Additionally, automatic lighting for the exterior activates during the evening hours. The premises is also securely locked when not in use, further reinforced by an alarm system, effectively deterring criminal behavior and promoting a safer

Continued from previous page...

environment. In addition, all bar staff are well-trained to recognise signs of intoxication and are proficient in the responsible service of alcohol, including the ability to cease serving alcohol to patrons who are excessively intoxicated.

c) Public safety

The safety of all visitors and the public is of utmost importance. To ensure their well-being, a comprehensive set of safety measures and emergency protocols has been meticulously established. These procedures, including evacuation plans for fire emergencies, are well-documented and communicated. Throughout the premises, multiple signage stickers prominently highlight evacuation points, making fire exit doors clearly visible as well. Regular safety inspections are carried out to proactively identify and address potential safety hazards, while the fire alarm system undergoes weekly testing and monthly tests ensure the functionality of emergency lighting. All test results are systematically recorded in the fire safety booklet. Trained personnel are readily available on-site to provide basic first aid and coordinate with emergency medical services as needed. Additionally, a first aid reporting booklet is accessible on-site for accident reports, and a defibrillator is provided for public use. These comprehensive safety measures collectively prioritise the protection and well-being of all individuals who visit the premises.

d) The prevention of public nuisance

We are committed to monitoring noise levels diligently to minimize disturbance to our neighbors. This includes the implementation of noise reduction measures beyond specific hours and ensuring that doors are kept closed to contain noise within the premises. To maintain the cleanliness of both the interior and exterior of the premises, we have placed multiple bins in strategic locations. There are also separate large commercial-sized containers for recycling and general waste, as well as a dedicated bin for glass. Each night, all bins are promptly emptied, reducing the risk of attracting rodents and maintaining the premises.

e) The protection of children from harm

The bar enforces stringent age verification procedures to prevent underage individuals from purchasing alcohol. These procedures involve thorough checks to ensure that presented IDs are valid, in-date, and genuine. All staff are vigilant in monitoring underage visitors, prioritizing their safety and welfare, and promptly reporting any concerns to the appropriate authorities. Furthermore, within the cricket club, which encompasses multiple junior teams, a dedicated welfare officer is appointed to oversee the welfare of all players, including those associated with the junior teams. Additionally, all members of the cricket club who work with the junior teams and the center manager have undergone DBS checks to ensure the safety and protection of children under their care.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
