☐

☒

No

You do not have to pay a fee if the only

applying is to avoid becoming liable to the
late night levy.

If your proposed variation
would mean that 5,000 or
more people are expected to
attend the premises at any
one time, state the number
expected to attend

Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

I would like my premises licence to cover our outdoor courtyard directly outside the front of the pub. At present I have to keep applying for TENS whenever we want to do an outside bar in our courtyard or event in the summer, and I don't have access to enough TENS in a calendar year to satisfy the number of events we have. It would make much more sense and be easier if my premises licence also covered this small space please. It is a courtyard that measures 5 metres by 5 metres and it is directly in front of our pub. During the summer months I will have music playing (for specific events) out here and build temporary outdoor bars for some events. This will also happen during some winter months. I would like my existing premises licence to cover this space so that alcohol can be sold out there and live music be played for specific events.

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

All of our staff are fully trained and follow strict policies when they are working in the pub. Any incidents are logged and reported to Pubwatch. The CCTV and signage of our policies does deter any potential issues and clearly promotes public safety. Any events that we have, we offer consult with our neighbouring businesses and residents to make sure they are aware and ok with our plans. Our team promote a responsible drinking culture and our clientele that we attract to the pub reflect that. We don't offer aggressive drinks promotions, instead we offer a range of quality drinks in a high quality space., This helps reduce any issues as our customer base is very sensible and considerate.

b) The prevention of crime and disorder

We have CCTV inside our premises to record any potential issues. All of our staff are fully trained and enforce the challenge 25 policy for anyone we suspect is underage. We are part of the Pubwatch initiative and attend monthly meetings to share details and hear updates from other licensed premises in the town. We have signage explaining our zero tolerance policy towards aggressive behaviour and will remove / report anyone who causes any issues.

c) Public safety

Continued from previous page...

We have conducted full risk assessments of our premises and due to its size, the entrance and exits are very clearly visible. We have a first aid kit on site and it is easily accessible. The pub has adequate lighting both inside and outside. All electrical installations and appliances will be regularly inspected and maintained. The maximum occupancy of the site will not exceed the safe capacity.

d) The prevention of public nuisance

Due to the premises small size, the deliveries are very small and made by the owner early in the morning or afternoon with very minimal disruption to the surrounding neighbours. Noise levels are monitored and we ask all of our customers to leave quietly and respect our neighbours. Waste is stored securely in a designated bin area away from the premises and collected on a weekly basis.

e) The protection of children from harm

We operate a challenge 25 policy and all of our staff are trained in preventing underage sales. We offer a range of soft drinks, alcohol free beers and virgin cocktails. Children will not be permitted in the bar after 9pm
