Representations on Organisations

Executive Summary: The Council's representation on a variety of organisations and partnerships is now reviewed every four years in accordance with the electoral cycle for District Councillors. In June 2022, the Elections and Democratic Services Manager had been given delegated authority, after consultation with the Deputy Executive Leader, to nominate and authorise any changes or new appointments to the District Council's representation during the course of the four-year term to May 2026. It is proposed that a similar approach is adopted for the current two-year term.

Recommendations

That the Cabinet

- 1.1. appoint to the organisations and partnerships referred to in Appendix 1;
- 1.2. agree to not appoint to those organisations and partnerships as indicated in Appendix 1; and
- 1.3. in the event that change or new appointments are required to the District Council's representation during the course of the two-year term, the Elections and Democratic Services Manager be delegated, after consultation with the Executive Leader and Deputy Executive Leader to nominate and authorise alternative representatives as necessary.
