

**OVERVIEW AND SCRUTINY REMITS AND STUDIES
(Report by the Head of Democratic and Central Services)**

1. INTRODUCTION

- 1.1 The purpose of this report is to acquaint Members with their remit following the introduction of changes to the structure of overview and scrutiny, review the programme of studies, provide an opportunity for Members to plan their work programme for the forthcoming year and set out additional responsibilities that the Panels now have in terms of scrutinising strategic partnership working.

2. WORK PROGRAMME

(a) Internal Scrutiny

- 2.1 The Council's services are divided into portfolios, which are the responsibility of Executive Members. In the past the portfolios have been simply divided between the Scrutiny Panels. Following the democratic structure review a new structure for overview and scrutiny has been introduced. This structure is based on the broad themes of Social, Environmental and Economic Well-Being. The allocation of Council services under these themes is represented in Appendix A.

(b) External Studies

- 2.2 The Council has a duty to promote the economic, social and environmental well-being of the District and, in order to demonstrate that the Council closely complies with the duty, this has been reflected in the new structure for overview and scrutiny. It gives the Panel a wide remit to examine any issues that affect the District by conducting in-depth studies. A number of such studies have been completed in the past, such as the investigation into flooding in the District.

(c) Study Programme

- 2.3 At the first meeting in the Municipal calendar, it is usual for the Overview and Scrutiny Panels to give detailed consideration to a programme of studies that they intend to undertake in the course of the year. Members are requested to consider whether any studies or investigations of single issues within their remit might usefully be undertaken. These might be topical or contentious matters, for example, it could be an issue that has arisen in the course of a Member's contact with constituents.
- 2.4 Performance data, which is regularly submitted to the Panel, and the Decision Digest, also can be used to identify study areas. The latest performance report appears elsewhere on the Agenda.
- 2.5 At each meeting the Panel's discuss a progress report their programme of studies. This report is reproduced at Appendix B.

(d) Study Methodology

- 2.6 Following a recent audit a report template to guide studies has been adopted. The template appears at Appendix C. It will be seen that there is considerable flexibility in the way studies may be conducted. It is also important to note that the Panels have a budget with which to pursue their study aims, for example, by obtaining expert opinion on a particular issue.
- 2.7 A number of working groups already exist to undertake some of these studies. It has been the practice for the membership of working groups to continue to the completion of studies and it is suggested that this principle should continue.

3. SCRUTINISING STRATEGIC / PARTNERSHIP WORK

- 3.1 The Local Government and Public Involvement in Health Act 2007 Act introduced changes from April 2009 to secure effective scrutiny of strategic partnership working and of local area agreements. The thematic groups under the Huntingdonshire Strategic Partnership have been aligned to the terms of reference of scrutiny panels. The Environmental Well-Being Panel will be responsible for the Environment and Growth and Infrastructure thematic groups of the Strategic Partnership. The Huntingdonshire Strategic Partnership itself is to be held to account through the full Council.
- 3.2 The Panel's remit also contains reference to the Council's corporate priorities and goals as they appear in the Corporate Plan. Specifically, this means that the Panel will be responsible for scrutinising the Clean, Green and Attractive Place and Developing Sustainable Communities aims of the Council's corporate plan 'Growing Success'. As has been said, a report monitoring progress against each of these aims appears elsewhere on the Agenda. Finally, the Panel will have the task of scrutinising the Managing Growth and Environmental Sustainability priorities of the Countywide Sustainable Community Strategy (Cambridgeshire's Vision).
- 3.3 Details of how it is suggested that these strategic / partnership areas of work might be undertaken will be the subject of a report at a future meeting.
