			<p>parking area. Rest facilities and a filling station are available for drivers. At present, the former Motel and associated facilities remain out of use.</p> <p>The Countywide HCV Advisory Route Network is now in the process of being developed by Cambridgeshire County Council, it is likely to be reported to joint lead Members by the end of 2009, and will be followed by a wider review of County HCV policy.</p>	
<p>08/07/08</p>	<p><u>Petition By St Audrey Lane Area Residents, St Ives</u></p> <p><i>This item was transferred from the former Overview and Scrutiny Panel (Service Support)</i></p> <p>Representatives from Anglian Water in attendance at Panel's July meeting. Requested that an update be provided in 6 months time and that residents be informed of the outcome of their investigations.</p>	<p>Email requesting update sent – 21/10/08</p>	<p>CCTV survey of St Audrey Lane and Pig Lane Surface Water sewer completed. Funding now available to Jet Sewer – will be carried out shortly.</p>	
<p>10/02/09</p>	<p>Panel made aware of further problems in recent weather. Agreed to seek further update as to what work has and hasn't been completed.</p>	<p>Response to be sought from Anglian Water for April meeting.</p>	<p>Update received from Anglian Water and circulated by email to all Panel Members.</p>	<p>April 2009</p>

Panel Date	Decision	Action	Response	Date
14/07/09	The Customer Response Manager to be invited to attend a future meeting to discuss progress which has been made since Anglian Water's attendance at the Panel meeting in July 2008.	Letter sent 07/08/09	Awaiting a response to the letter.	
14/10/08	<p><u>Petition To Control Commuter Parking In The Longsands Area Of St Neots And Discussion On Huntingdon Train Station</u></p> <p><i>This item was transferred from the former Overview and Scrutiny Panel (Service Support)</i></p> <p>Chairman to write to the Chairman of Huntingdonshire Traffic Management Area Joint Committee outlining the Panel's concerns and requesting that the matter be progressed at the earliest opportunity.</p> <p>A representative from First Capital Connect to be invited to attend a future meeting to discuss their expansion plans for the car parks at Huntingdon and St Neots.</p>	<p>Update provided to February meeting. Further investigative work being undertaken by the County Council in advance of April Area Joint Committee. Further update expected in April 2009.</p> <p>Letter sent 21/10/08</p>	<p>Item deferred until a later date. District Council still awaiting a response from the Minister on the issue of permitted development.</p>	<p>April 2009</p> <p>Spring 2009</p>
10/03/09	Members questioned whether planning permission had been granted for the car park being constructed at Huntingdon Train Station.	Clarification sought from the Development Control Manager as to the status of the construction.	The development does not have permission although it is understood that an application is to be submitted shortly. The use of the land for car parking for up to 28 days in a calendar year would be permitted development.	

Panel Date	Decision	Action	Response	Date
------------	----------	--------	----------	------

14/07/09	The Panel requested an update as to the status of the car park which had been constructed at the railway station in Huntingdon.	An update on this issue was requested from the Transportation Team Leader.	<p>The provision of additional car parking has been completed by Network Rail. The Secretary of State confirmed on 29th July that the land in question constitutes operational land in accordance with the relevant statutory undertaker for the purposes of section 336 (3) of the TCPA 1990. This means that it is within land that is part of the control of Network Rail, as such under certain legislation Network Rail are exempt from the need to apply for planning permission for certain elements of what they may want to do. The District Council is conducting an assessment of other legislation including the GDPO and Environmental Impact Assessment regulations to ascertain if planning permission is required.</p> <p>St Neots – The provision of additional car parking has been completed by Network Rail. There are no disputed permitted development rights or outstanding planning-related issues.</p>

12/02/08	<p><u>Cycling In Huntingdonshire</u> <i>This item was transferred over from the former Overview and Scrutiny Panel (Service Support)</i></p> <p>Endorsed the Working Group's report and recommendations for submission of the Cabinet.</p>	<p>Considered by the Cabinet at their meeting on 12th February 2008. Cabinet noted the recommendations and requested a further report by officers addressing the wider issue of Section 106 funding and partnership working. Agreed that discussions should be held with Cambridgeshire County Council regarding their offer to update the Huntingdonshire Cycling Strategy and the issue of partnership working on cycling provision.</p>	<p>Report updating the Panel on the current position the review of the Cycling Strategy and the provision for funding for Huntingdonshire in the LTP included on Agenda for the meeting for June 08 meeting.</p>	<p>June 2008</p>
10/06/08	<p>Asked the Transportation Team Leader to email all Members of the Council asking about any specific issues with regard to cycle routes in their wards. Requested sight of the draft report on the prioritisation of cycle schemes before any consideration by the AJC.</p>	<p>Since the June Panel meeting, it has come to light that the list of potential cycle routes have already been scored and prioritised. A report will be considered by the AJC at their meeting on 7th July 2008, seeking ratification of the cycle routes as scored. Requests have been made for reviews to be undertaken annually, with the first review with Members to start in the autumn.</p>	<p>Priority List endorsed by the AJC. District Council members will be contacted in Summer 2009, before the next review to ask about specific issues within their ward.</p>	<p>Spring 2009</p>
14/07/09	<p>Members requested an update on the issue from the Transportation Team Leader.</p>	<p>Following the AJC report of July 2008, the top five schemes approved for further development have been progressed, based on available staff resources/funding;</p>		<p>August 2009</p>
