

**PERFORMANCE MANAGEMENT
(Report by the Head of People, Performance & Partnerships)**

1. INTRODUCTION

- 1.1 The purpose of this report is to present to Members performance management information on “Growing Success” – the Council’s Corporate Plan.

2. BACKGROUND INFORMATION

- 2.1 The Council’s Corporate Plan includes short, medium and long term objectives to help achieve aims and ambitions for Huntingdonshire’s communities and the Council itself. In addition the Council identified eight of these objectives which were considered as priorities for the immediate future.

3. PERFORMANCE MANAGEMENT

- 3.1 Progress against all the objectives is reported to Chief Officers Management Team quarterly on a service basis. A progress report from each Division includes performance data in the form of achievement against a target for each of the objectives that those services contribute towards. This is supported by narrative on achievements, other issues or risks and budgeting information.
- 3.2 In addition, a working group appointed by the Overview & Scrutiny Panels continues to meet quarterly to monitor progress in the achievement of the Plan and to consider development issues.
- 3.3 Members of the Overview & Scrutiny Panels have an important role in the Council’s Performance Management Framework and the process of regular review of performance data has been established. In adopting the updated version of Growing Success, and in particular in prioritising objectives, it was intended that Members should concentrate their monitoring on a small number of objectives to enable them to adopt a strategic overview while building confidence that the Council priorities are being achieved.
- 3.4 Members of the Panels will also find broader performance information of help to them in undertaking their review and scrutiny functions. This information can be provided on a regular or ad-hoc basis.
- 3.5 The priority objectives have been allocated between Panels as follows:

SOCIAL WELL-BEING	ENVIRONMENTAL WELL-BEING	ECONOMIC WELL-BEING
To enable the provision of affordable housing	To help mitigate and adapt to climate change	Effective Partnership
To achieve a low level of homelessness	To promote development opportunities in and around the market towns	To be an employer people want to work for
To promote active lifestyles		Maximise business and income opportunities including external funding and grants

4. PERFORMANCE MONITORING

5. DATA QUALITY
