08/03/11	<p>Update requested 7/03/11</p> <p>The Vice-Chairman undertook to make enquiries with the County Council regarding the audit trail for Section 106 contributions generated from development in Huntingdonshire.</p>	<p>considered unwise to consult with District and County Members on schemes at this time as this would exacerbate the unlikelihood of current schemes being delivered as well as any of those to be added, and raises Member and public expectation to an unnecessary degree with presently little hope of delivery. It was felt that the review should be over a longer timeframe when there is more certainty regarding likely funding.</p> <p>Response received from Environmental Management 7/3/11.</p>	<p>The Committee endorsed further development, including the need to secure third party land to deliver the scheme. It is hoped that the scheme will be delivered, subject to the completion of all required negotiations, during 2011/12 using a combination of S.106 and Capital funds.</p> <p>Both projects are subject to planning applications due to be determined within the next couple of weeks. AWA are happy for their land to be used. CCC still in process of negotiating with landowners in Yaxley/Farcet both projects still on schedule for completion late spring/early summer.</p> <p>Advised by Transport Team Leader that CCC have made available full audit trail spread sheets.</p>	08/03/11
