* The allocation of these seats must be balanced so that the total entitlement to seats on each group is not exceeded.

** On this occasion, the Schedule reflects the current membership of the Minority Groups on Panels/Committees. To avoid disruption, the Council may consider that it would not be conducive to good Panel/Committee Management to vary the membership of Panels at such a late stage in the Municipal Year and to appoint the new Conservative (non-aligned Members) to the Panels where the clear vacancies arise.

CNA = Conservative (Non-Aligned).
