

Sawtry Parish Council would like to register their objection to the application made by Sawtry Club to extend their hours for the following reasons:

- Complaints have been received in the past from residents in Abbey Close (the dwellings are bungalows and the residents are predominantly elderly) which adjoins the car park and rear of the Club about the noise from people using the outside smoking area
- A copy of a petition, delivered to yourselves, signed by 14 residents of Abbey Close detailing incidents has been received by the Parish Council
- Groups of younger people use the smoking area as a meeting place and there is a lot of noise and nuisance as a result of this
- Residents in Westfield Road complain that around midnight every Saturday night groups of young people go past their homes, causing a nuisance with their language and loud voices, property – garden pots, street notices etc is moved/damaged
- Extending the hours would just increase the public nuisance and potential for crime and disorder
