Dear Sir/Madam

I am writing in regard to the reviewing of the licensing at Angel Spice in Stilton. I do not feel that Angel Spice is the direct cause of any crime or disorder to the village at all. On the contrary I feel that it gives a lot to the community as Mr Bashir is always keen to help the local people of Stilton. I myself have had two London Marathon fund-raisers there, one for Macmillan and one for the RAF Wings appeal and I know he has also supported Help for Hero's and Caresco on many occasions and is very generous in giving his time and profits to the various charities mentioned. People come from far and wide to visit the restaurant and it is an asset to our village. Local people also work in the restaurant which also helps the community. People are always impressed by the quantity and quality of our restaurants in Stilton and they are well regarded therefore it would be a great shame if the licensing from this premises is withdrawn.

Yours faithfully

Emma Ward

Dear Sirs,

Re: The Angel Spice, Stilton

I meet with Mr Abdhul Bashir on a regular basis, mainly because I use his premises for dinner and also because of his charity work. I am President elect of my Rotary Club (Peterborough Minster), we have benefited to the tune of £3,000 over the last 3 years. All from Mr Bashir's generosity.

I am supporting his application for the sale of alcoholic beverage on his premises for the following reasons;

- o I prefer to choose whether I drink alcohol or not when I use his premises.
- o I have in the past taken my family there without any issues.
- o He does a lot for Stilton and beyond. He is well known in the village and generous to local charities.
- o He provides local part-time work.
- o He does his part in keeping the main street safe and vibrant.
- o I have always felt safe in his establishment.
- o I have yet to meet someone local or otherwise who has a wrong word against him.

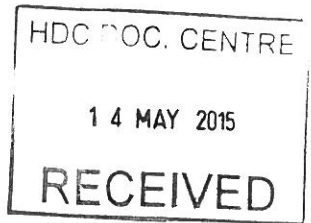

For the above reasons I am registering my support as an interested party and dearly hope that Hunts DC grant him a licence. Without it, his business, his livelihood, charity work and the vibrancy of the village will suffer.

Yours sincerely

To whom it may concern

**Mr A Bashir – Angel Spice Restaurant Stilton Peterborough**

I have known Mr Bashir for 6 years initially as one of his customers. During this time he has been financially, very supportive of Peterborough Minster Rotary Club, of which I am currently President. His support has been that of our Main Prize Sponsor for the past 3 years at our Rotary Charity Golf Day and indeed this year, his contribution has helped us raise £8,000. I know, in addition, that he also supports several other local charities and is a credit to the community.

I have always found him to be completely honest and open in his financial dealings with our Rotary Club and as customers, along with many of our friends, we find him to be an excellent host.

I would fully support his re-application for his License.

Should you require any further information, please don't hesitate to contact me.

Yours faithfully

R H Cawood

Sir

I understand that the license for the Angel Spice Restaurant is coming up for renewal. I would like to offer my support for this application. As a regular customer here I found the staff helpful and polite. This concern creates employment within Stilton and I consider The Angel Spice to be an asset to the village.

To whom it may concern,

I am writing to support Angel Spice in Stilton.

Firstly, I have run the London Marathon twice and on both occasions, fundraising events have been held at the Angel Spice and have been very successful, raising thousands of pounds for Macmillan and the RAF Association. We invited a large amount of guests who had an amazing evening, most of which have now become regular visitors to the restaurant due to the fabulous food served and incredible hospitality shown by the staff.

Secondly, I myself go the Angel Spice regularly and always have a wonderful time. The food is delicious and the staff always go out of their way to ensure we have a lovely time and have become good friends and well known, liked members of the village community.

I will continue to support Angel Spice and remain a dedicated customer to them. I have many friends who come along to the Angel Spice on a regular basis since being introduced from surrounding villages.

I hope my letter contributes to the support for Angel Spice.

Kind regards,

Melissa Clarke

Dear Sir/Madam,

I have recently become aware that a request for a review of the Premises Licence of the above has been made.

Although I am not aware of the full history and reasons behind the request for review, I do though believe that the Angel Spice makes a significant contribution to the social life and the economy of Stilton and the surrounding area and ask this be taken into consideration when this matter is discussed.

I feel it appropriate to mention that although I was recently elected to represent Stilton Ward on Huntingdonshire District Council, at the time of writing this email, I have not signed an acceptance of office so I am writing as an individual resident.

Yours faithfully,

Tim Alban
