

Corporate Plan 2018 - 2022

Introduction

The Council's Corporate Plan sets out our priorities for 2018-2022, together with the key actions we are taking to achieve them. It is an ambitious programme of activity for a council that seeks to deliver growth and investment in the local economy whilst at the same time challenging itself to deliver good services for a lower cost.

It is important that in designing solutions and shaping priorities, we as a Council, are adapting to the challenges we are facing and involve our residents and local businesses. We want to support a safe and healthy environment, deliver economic growth and provide value for money services for the people of Huntingdonshire. We know that we cannot deliver our vision alone. In order to make savings, whilst still providing the high quality services local people want and deserve, we need to work with our partners, our businesses and our communities. The plan shows how we intend to do this and includes exploring sharing the cost of providing services with other public bodies.

The reality is that we are being asked to do more for less whilst protecting the range and quality of service we provide to local residents. The Council is working with many partners, including the Combined Authority of Cambridgeshire and Peterborough, to ensure that we are bringing investment to our district and attracting people to live and work here. Our vision sets out our aspirations for the **People** of Huntingdonshire to live in a safe, healthy and prosperous **Place** where communities and businesses can thrive.

The Corporate Plan shows you our objectives, the work programme we have put in place, the actions we will take and how we will measure our performance
